7. Any reductions in resources for the oversight or enforcement of the State's BSRAs which would render FDEP unable to properly oversee or enforce the requirements of the Florida Brownfields Redevelopment Act and implementing rules and regulations; and

8. Any other matters of concern to EPA Region 4 or FDEP.

At each meeting, FDEP will provide EPA Region 4 with a report including relevant supporting analytical data of the status of sites since the last consultation held pursuant to this section. Either EPA Region 4 or FDEP may request additional meetings for the purpose of discussing matters related to this SMOA.

B. If EPA Region 4 and FDEP agree to add new sites to or to delete sites from Exhibit A, EPA Region 4 and FDEP will execute an amendment to this SMOA to document the change(s) in Exhibit A. Amendments to Exhibit A may be approved on an as-needed basis by EPA Region 4's Chief, South Site Management Branch and FDEP's Chief, Bureau of Waste Cleanup.

C. EPA and FDEP will conduct mutual annual reviews of the state cleanup program relative to this SMOA to verify consistency with the requirements of this SMOA, to discuss any changes needed with the SMOA, and to discuss whether the agreement should continue. The results of the review will be discussed with FDEP during subsequent consultation (pursuant to section VI.A) prior to the review being finalized.

D. FDEP will provide EPA notification of any changes in State law, which would effect cleanups/rehabilitation subject to this agreement. Such notification will be within 30 days of enactment of such legislative change.

VII. AMENDING THE SMOA

Except, for the addition of sites (as defined in Section VI.B) to Exhibit A or Exhibit B, other amendments to this SMOA shall require formal execution by the signatories to the SMOA.

VIII. TERMINATION OF THE SMOA

A. EPA Region 4 or FDEP may terminate this agreement with a 30-day written notice if:

1. Legislation or regulations enacted in the State of Florida alter any component of the Florida Brownfields Redevelopment Act or an executed BSRA such that it does not meet the requirements set forth in this SMOA; or

2. In the judgment of EPA Region 4, FDEP no longer has resources sufficient to oversee and enforce any State executed BSRA for the sites set forth on Exhibit A hereto; or

3. In the judgment of EPA Region 4, the remediation undertaken pursuant to the Brownfields Redevelopment Act and Chapter 62-785, F.A.C., or an executed BSRA, does not meet the requirements of this SMOA; or

4. CERCLA is amended in such a way as to render this agreement unnecessary or null and void.

Prior to the termination, EPA and FDEP will meet to discuss reasons for SMOA termination.

B. This SMOA shall, in any event, terminate in five (5) years from the effective date hereof, unless EPA Region 4 and FDEP agree to extend the term of this SMOA. In the event that EPA Region 4 and FDEP agree to extend the term hereof, both parties shall execute an amendment to this agreement extending this agreement for the agreed upon term.
