Ann Goode, Director
Office of Civil Rights
Environmental Protection Agency
1200 Pennsylvania Avenue, NW (MC1201A)
Washington, DC 20460

Dear Ms. Goode:

I live in Baton Rouge, Louisiana. Almost anybody can see if they visit here that heavy polluting industry locates in poor neighborhoods and in neighborhoods where the majority of the residents are people of color. The poor can not afford to constantly contest industrial expansion in their neighborhood. Do not make Title 6 more lax. People in neighborhoods impacted by industry should not have to go bankrupt trying to stop permits for more polluting industry.
