Subject: Response to the Environmental Protection Agency Verbal Discussions During the Week of February 22, 2010

Dear Mr. Flynn:

In response to the Environmental Protection Agency's (EPA) request for additional information regarding T fields used for the CRA-2009 PABC during the EPA's site visit during the week of February 22, 2010, the United States Department of Energy is providing the attached document entitled "Development of Culebra T Fields for CRA 2009 PABC". This document is being provided to answer EPA's questions in this area.

If you have any questions, please contact Russ Patterson at (575) 234-7457.

Sincerely,

David C. Moody
Manager
