

Accessing the Emerging National Data Bus

Moderated by Mitch West
Exchange Network Coordinator
Office of Environmental Information National
Symposium
Phoenix, AZ

December 11, 2008

“What’s a data Bus?”

Not this
kind of bus...

This kind of bus

One Moment, I'll Connect You

The Exchange Network brings you

- Data
 - All in one place
 - Defined by standards
 - As secure as it needs to be
 - Easy to discover and access
- Partnership
- Building blocks
- *Opportunity*

Ernestine, Application Developer
