

The Institute for Tribal Environmental Professionals

Honoring the Past, Embracing the Future

The Institute for Tribal Environmental Professionals (ITEP) was established in 1992 with a mission to assist Indian tribes in the management of their environmental resources through effective training and education programs.

You are cordially invited to celebrate the 10TH Anniversary of the founding of ITEP.

Events will take place on the Northern Arizona University campus
Flagstaff, Arizona
September 19-20, 2002

Although ITEP will not be providing travel assistance to attendees, it is strongly encouraged that you RSVP with Lydia Scheer (928.523.6887 or Lydia.Scheer@nau.edu), who can also provide you with further details on the events planned.

In an effort to conserve paper, only one or two announcements have been sent to each tribe/organization. Please share this announcement with anyone whom you think might be interested in attending. Attendance is open to everyone. Thank you and hope to see you in Flagstaff!
