

## Associating a Cooperative Agreement to Your Account

ACRES allows you to associate to as many Cooperative Agreements (CAs) as needed. Also, multiple users may be associated to a single Cooperative Agreement. There are no limitations on these associations.

1. Open your Internet browser to <http://cdx.epa.gov> and login. On the MyCDX screen, click “[ACRES: Assessment Cleanup and Redevelopment Exchange.](#)”

2. Click “Add a Cooperative Agreement to My List” at the bottom of the screen.

3. Enter your eight-digit CA number and select the state in which the CAR is located. Be sure to exclude the two-letter prefix and any amendment numbers when entering your eight-digit CA number.

**Do NOT include the two-letter prefix  
or any amendment numbers when  
entering your eight-digit CA number:**

~~2B~~ 12345678 ~~-01~~

4. A confirmation screen will appear with the identifying information for the CA number that you entered. If the information is not for the CA you were expecting, click “[Change Cooperative Agreement](#)” and re-enter the CA number and state. If the CA information is correct, click “[Confirm Cooperative Agreement](#).”
