Protection Agency
Region 2

Dear Mrs. Fox:

Recently, we received a request for comments on the draft guidance regarding Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal assistance from discriminating in their programs on the basis of race, color, or national origin.

Even though the Solid Waste Management Authority does not emit or establish permits, after revising the draft guidance, we conclude that the document is in accordance with the Public Policy of this authority.

Thanks for taking into consideration the comments of the Solid Waste Management Authority and for keeping us in your lists for document consultations.

Sincerely,

Roxanna Longoria
