**These corporate leaders have stepped up to the challenge
of protecting the global climate. Are you next?**

Congratulations to these Climate Leaders for setting aggressive targets to reduce greenhouse gas emissions.

Climate Leaders is a voluntary EPA industry-government partnership that encourages companies to develop long-term climate change strategies. For more information on how your company can join the effort to make our planet a better place to live and work, sign on to our website: www.epa.gov/climateleaders.
