

# 2<sup>nd</sup> Western States Coal Mine Methane Recovery and Use Workshop

Presented by EPA's Coalbed Methane Outreach Program and Raven Ridge Resources, Incorporated

September 26-27, 2006  
Grand Junction, Colorado

This two-day workshop will be held at the Two Rivers Convention Center in Grand Junction, Colorado.

## Agenda Highlights:

### Tuesday September 26, 2006

- Improving Recovery of CMM: Perspectives from Mining and Drilling Companies
- Abandoned Mine Project Opportunities in the Western US
- Innovative Financing for CMM Projects
- CMM Leasing and Safety Issues in the Western US

### Wednesday September 27, 2006

- Active Mine CMM Project Case Studies
- Innovative Technologies for CMM Projects
- Power Generation Workshop

*Representatives from coal mining companies, technology vendors, US and state governments will share their perspectives on coal mine methane opportunities in the Western US.*
