Assistance Program.

Best Practices in Collision Repair

The U.S. EPA and EMAP will be conducting **free** workshops in September 2010 for the auto collision repair industry.

Information will be presented on:

- **New U.S. EPA regulation for auto collision shops – NESHAP HHHHHH (the 6H rule) – Compliance date January 2011!!**
- **Key chemicals of concern and exposures**
- **Best practices**
- **Health & Safety**
- **Resources/Tools**

The training is open to anyone interested in attending. There is **NO CHARGE** for this workshop. However, please **register by September 10, 2010** so that we can have adequate materials.
