National Enforcement Trends (NETs) Metadata

NETs Pages K-7, Region 1 - HQ: FY 2003 - FY 2010 Supplemental Environmental Projects (SEPs)	
Note 1	Supplemental Environmental Project (SEP): An environmentally beneficial project which a defendant or respondent agrees to undertake as part of a civil enforcement case settlement which the defendant/respondent is not legally required to perform to comply with the law. (Source: Final Supplemental Environmental Project Policy, April 10, 1998)
Note 2	Prior FY dollar figures on the first page of this document are adjusted to reflect the value in FY 2010 dollars based on the average fiscal year value of the U.S. Department of Labor Consumer Price Index for All Urban Consumers.
Note 3	For each enforcement case, the entire SEP value for that case is attributed to the "primary law" that EPA has designated for the case, even where the action is brought under more than one law.
