

EPA/NIEHS Children's Centers 2012 Webinar Series

Protecting Children's Health for a Lifetime

SAVE THE DATE

Wednesday, April 11, 2012

1:00 p.m. – 2:30 p.m. EDT

A Pediatric Specialist's Perspective on Early Life Origins of Disease

Phil Gruppuso

Professor of Pediatrics and Molecular Biology, Cell Biology and Biochemistry (Research) at Brown University

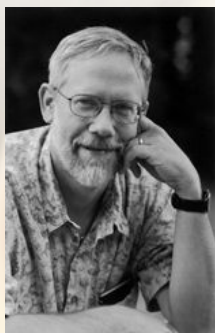

epa.gov/ncerc/cehc/brown

Join us for the monthly webinar series presenting the latest research findings in children's environmental health from the EPA/NIEHS Children's Centers.

The mission of the Children's Centers program is to reduce children's health risks, protect them from environmental threats and to promote children's health and well-being in the communities where they learn, live and play.

Developmental Origins of Male Reproductive Tract Disorders

Kim Boekelheide

Professor of Pathology and Laboratory Medicine at the Brown University School of Medicine

epa.gov/ncerc/cehc/brown
