**RE: EPA's Response to GE's Request for an Extension on the Corrective Measures Study**

Dear Mr. Silfer:

EPA has considered GE's letter "*Time for Submission of Corrective Measures Study Supplement*" submitted November 5, 2008 requesting a 90-day extension to the due date of December 9, 2008 to submit the Corrective Measures Study (CMS).

In response, EPA grants GE an extension to the due date for the CMS to January 30, 2009.

Please contact me if you have any questions.
