Re: Final Watershed Plan and Areawide Environmental Impact Statement for the Cape Cod Water Resources Restoration Project, Barnstable County, Massachusetts (CEQ # 200604050)

Dear Mr. DeVergilio:

The Environmental Protection Agency-New England Region (EPA) has reviewed the United States Department of Agriculture's (USDA) Final Watershed Plan and Areawide Environmental Impact Statement (FEIS) for the Cape Cod Water Resources Restoration Project for various watershed protection and fish and wildlife development projects in Barnstable County, Massachusetts. We have no objections to the project as described.

Thank you for forwarding the FEIS for our review.

Sincerely,
