RE: NPDES Stormwater Phase II Permit
Annual Report Permit Year Three
Wakefield, Massachusetts

Dear Sir or Madam:

The Town of Wakefield, Massachusetts is pleased to submit this Annual Report covering Permit Year Three (May 1, 2005 through April 30, 2006.) This submittal is in accordance with the Environmental Protection Agency's (EPA) National Pollutant Discharge Elimination System (NPDES) Stormwater Phase II Regulations and the Massachusetts DEP requirements.

The format of this report follows the Section F listing of information items under Part II Massachusetts Small MS4 Storm Water Management Program. See the Table of Contents following this cover letter for identification of each report section.

In summary, the Town of Wakefield has met compliance with the Town's permit application submittal dated July 28, 2003. We do not recommend, as of this date, that the identified BMP's or measurable goals in the July 2003 permit application be changed.

We look forward to working with the EPA and DEP throughout the remainder of the permit term. If you have any questions or comments, please contact me at 781-246-6300

Very truly yours,

Richard F Stinson
Director of Public Works

TABLE OF CONTENTS

<u>SECTION</u>	<u>TITLE</u>
ES	EXECUTIVE SUMMARY
I.	A SELF-ASSESSMENT OF COMPLIANCE WITH THE PERMIT CONDITIONS.
II.	AN ASSESSMENT OF THE APPROPRIATENESS OF THE SELECTED BMP'S.
III.	ASSESSMENT OF THE PROGRESS TOWARDS ACHIEVING MEASURABLE GOALS.
IV.	SUMMARY OF THE RESULTS OF ANY INFORMATION THAT HAS BEEN COLLECTED AND ANALYZED. THIS INCLUDES ANY TYPE OF DATA.
V.	A DISCUSSION OF THE ACTIVITIES FOR THE NEXT REPORTING CYCLE.
VI.	A DISCUSSION OF ANY CHANGES IN IDENTIFIED BMP'S OR MEASURABLE GOALS.
VII.	REFERENCE ANY RELIANCE ON ANOTHER ENTITY FOR ACHIEVING ANY MEASURABLE GOAL.

EXECUTIVE SUMMARY

During the Permit Year Three (May 1, 2005 through April 30, 2006) the Town of Wakefield complied with the Town's permit application submittal dated July 28, 2003. The overall five-year permit planned permit program is presented on the charts following this page.

During Permit Year Three, work activities occurred for each of the six planned Best Management Practices. The details of work activity conducted for each BMP is presented in Section I of this report.

We do not recommend, as of this date, that the identified BMP's or measurable goals be changed.

SECTION II.

ASSESSMENT OF THE APPROPRIATENESS OF THE SELECTED BMP'S.

The selected items of work as included in the NPDES permit application for each of the BMP's were derived from an extensive review by the Department of Public Works and the NPDES Phase II Committee during the period prior to the July 30, 2003 permit submittal.

During the Permit Year Three (May 1, 2005 through April 30, 2006) the Town of Wakefield did not identify any pre-planned work item, which when completed, will not provide benefit to the Town in terms of defining and implementing the stormwater management program.

SECTION III.

ASSESSMENT OF PROGRESS TOWARDS ACHIEVING MEASURABLE GOALS.

This section presents an assessment of progress toward achieving the permit related measurable goals from work performed during NPDES Permit Year Three (May 1, 2005 through April 30, 2006.)

SECTION IV.

SUMMARY INFORMATION COLLECTED AND ANALYZED. (INCLUDING DATA)

This section illustrates how the Town of Wakefield has catalogued all the information and material that was collected during the first three Permit Years (through April 30, 2006) related to the NPDES Phase II Stormwater Regulations.

Information and material shall be continually gathered and logged into the spreadsheet shown on the following pages, and filed in the NPDES Phase II Stormwater library at Town Hall. An area at the Wakefield Town Hall is reserved for the Municipal Stormwater Management Library consisting of reports, technical data, forms, workbooks, guidelines, fact sheets, instructions, product specifications, pamphlets, posters, articles, lists, manuals, maps, letters, memos, emails, magazines, videos, compact discs, seminar material, miscellaneous notes and information. Each item is categorized under an appropriate BMP for ease of reference throughout the permit process.

SECTION V

ACTIVITIES FOR THE NEXT REPORTING CYCLE

The activities planned for the next NPDES reporting cycle (May 1, 2006 through April 30, 2007) are shown on the charts following this page.

The activities during this period will conclude with an Annual Report submittal covering Permit Year Four by May 1, 2007.

BMP ID #	Task as defined in May 2003 Permit	PERMIT YEAR				BRIEF DESCRIPTION OF ACTIVITY
		Spring 06	Summer 06	Fall 06	Winter 06-07	
3.4	Evaluate Impacts to Receiving Waters					Field surveys and sampling
3.5	Ongoing Mapping of MS4s					Ongoing mapping of Drain System
3.6	Potential Approaches to Abate Illicit Discharges					Tailor approach to source if found
3.7	Review & Document Existing Local & State Regs					Ongoing review for guidance as needed
3.8	Additional Separate By-Laws					Drafted for Town Meeting if needed
3.9	Legality of Publicizing Violations					Reviewed if needed
3.10	Potential Funding Programs					Funds sought if needed
4.1	<u>Construction Site Runoff Control</u> Develop Guidelines (including ESC)					Ongoing development and use
4.2	Develop Procedures for Site Inspection of Control Meas.					Ongoing development and use of procedure
4.3	Update Existing Site Plan Review & Const. Regs.					Update during 2006 / 2007, further as needed
4.4	Update Existing Policies & Procedures Relating to Compliance & Enforcement					Policy update will be further developed
4.5	Separate By-Law to Implement & Enforce					By-Law to Town Meeting if needed
5.1	<u>Post-Construction Runoff Control</u> Review Existing Policies, Regs & Guidelines					Update during 2006, further as needed

BMP ID #	Task as defined in May 2003 Permit	PERMIT YEAR				BRIEF DESCRIPTION OF ACTIVITY
		Spring 06	Summer 06	Fall 06	Winter 06-07	
5.2	Develop Guidelines					Guidelines further developed
5.3	Procedures & Guidelines (Structural & Non-structural BMPs)					Procedures and guidelines further developed
5.4	By-Law to Implement & Enforce					By-Law to Town Meeting if needed
6.1	Pollution Prevention / Good Housekeeping Review Existing Practices, Guidelines & Training		P			Ongoing review and training
6.2	Catchbasin Cleaning Guidelines		T			Guidelines will be followed
6.3	Street Sweeping Guidelines		T			Guidelines will be followed
6.4	Maintain Streams & Channels Guidelines		T			Further development of guidelines
6.5	Calibrating Salt/Sand Spreaders Guidelines		T			Guidelines will be followed
6.6	Spill Control/Containment Guidelines		T			Guidelines will be followed
6.7	Recycling Refuse Program Guidelines		T			Guidelines in place
6.8	Employee Training Program					Ongoing for all DPW Employees
6.9	Animal Solid Waste Secretion By-Law					By-Law in place
6.10	Fertilizers/Pesticides Recommended Use Guidelines					DPW Guidelines used in municipal operations
6.11	Identify Sensitive Waterway & Waterbody Criteria					Final criteria review
6.12	Identify Sensitive Waterway & Waterbodies					Field sampling and testing as needed

SECTION VI.

CHANGES IN IDENTIFIED BMP'S OR MEASURABLE GOALS

At the time of preparing this annual report for Permit Year Three (May 1, 2005 through April 30, 2006) we have not identified any information or reason for changing the planned Best Management Practices or Measurable Goals from those identified in the Town's permit application submittal dated July 28, 2003.

SECTION VII

RELIANCE ON ANOTHER ENTITY FOR ACHIEVING ANY MEASURABLE GOAL.

The Town's water bodies do receive stormwater flows from the following entities, upon which the Town relies on the quality of their stormwater discharges in achieving any measurable goal:

1. Massachusetts Highway Department:

Route 95/128, which crosses, through the northern end of Town, from Stoneham to Lynnfield. Stormwater discharges from this interstate-highway discharge either to Lake Quannapowitt or the downstream Saugus River, which also receives flows from Lake Quannapowitt.

2. Massachusetts Department of Conservation and Recreation:

Breakheart Reservation located along the eastern boundary of Wakefield, of which a portion drains to the Mill and Saugus Rivers in Wakefield.

3. Regional School:

Northeast Regional Vocation School (code #853) serving 12-communities, is located along the eastern boundary of Wakefield, also abutting the Breakheart Reservation, which drains to the Mill and Saugus Rivers in Wakefield.

4. Commonwealth of Massachusetts:

Camp Curtis Guild, Massachusetts Army National Guard located at the northern boundary of Wakefield, of which a small portion may drain to the Saugus River.

5. United States Government:

United States Military Reservation, Tarrant Lane military housing located in the northwest corner of Wakefield, if which the stormwater from this area drains to Lake Quannapowitt, which in turn drains to the Saugus River.

6. **Surrounding Communities:**

The Town of Wakefield has a number of abutting municipalities, which share Wakefield's municipal boundary. Along these boundaries, there are some watershed areas that may flow from one community to the other. These municipalities include: Lynnfield, Melrose, Reading, Saugus and Stoneham.

SECTION I.

SELF-ASSESSMENT OF COMPLIANCE WITH THE PERMIT CONDITIONS.

The purpose of this section is to perform a self-assessment of the work undertaken during Permit Year Three (May 1, 2005 through April 30, 2006) in terms of compliance with permit conditions.

The chart presented on the following pages present an identification of each of the activities scheduled under each BMP, the scheduling of work within Permit Year Three and a Self-Assessment of Compliance with Permit Conditions.
