

Ammonia Co-operation Call

- ⌘ Call on October 28th

- ⌘ RPO's Updated Work

 - ☑ All Eastern RPO's have contracts in place to improve estimates

- ⌘ Agreed that local Activity data should be collected

 - ☑ RPO's will not work directly on emissions factors

NH3 Cooperation

- ⌘ Uncertainty about what improvements are necessary
- ⌘ Discussion of CMU ammonia model as a starting point
- ⌘ All wanted to be part of CMU Beta Test
- ⌘ Need to get back together in January to discuss further Improvements/Updates
 - ☑ Fertilizers, Livestock Populations

Stakeholder Involvement

- ⌘ All agreed that there will not be a National Ammonia Group
- ⌘ Each RPO will work individually with our own agriculture folks
- ⌘ Will not nominate members to AAQTF
