NETs Page K-4: FY 2007 National Priority Enforcement Action Conclusions	
<b>Note 1</b>	Few formal enforcement actions were reported for the mineral processing priority in FY 2007. The focus of this newer priority in FY 2007 was to conduct inspections in order to determine whether there were any violations at facilities. Formal enforcement actions will be taken where violations are discovered.
<b>Note 2</b>	Civil judicial conclusion data was not collected for the Tribal strategy in FY 2005 - FY 2007, but will be collected in future years.
