12th Annual U.S. Department of Energy Small Business Conference & Expo

The U.S. Department of Energy (DOE) Office of Small and Disadvantaged Business Utilization, is proud to present The 12th Annual DOE Small Business Conference & Expo, at the Kansas City Convention Center, Kansas City, Missouri, May 10-12, 2011.

The event will feature plenaries, educational workshops, an Exhibit Hall with 200+ exhibitors & sponsors, as well as matchmaking sessions. Over 1,600 attendees will represent all levels of federal, state, and local government agencies, large/prime contractors, small businesses, Minority Serving Institutions (MSIs), and more!

The largest civilian contracting agency within the Federal government, DOE spent over \$30 billion in contracts in FY 2010. The 12th Annual DOE Small Business Conference & Expo is a great opportunity for Small Business owners and large companies alike to network and partner.

For more information, please visit the event web site, <http://smallbusinessconference.energy.gov> You can also call the Conference Hotline, 1.877.837.8623, or email us at: InfoDOE@aetherquest.com.
