

**Partnership and Collaborations  
2002-2007**

Program	Partner(s)/Co-Sponsor(s)
Memorandum of Understanding (MOU) DOD/ US Air Force –Air Research Laboratory - Annual Toxicology and Risk Assessment Conference	DOD, NIOSH, ATSDR, NRC/NAS
Memorandum of Understanding (MOU) Pan-America Health Organization- Technical Assistance on Health Risk Assessment	WHO-PAHO
Memorandum of Understanding (MOU) World Health Organization for International Program on Chemical Safety- Technical for Development of IARC Monographs and IPCS CICADs	WHO-IPCS
Memorandum of Understanding (MOU) World Health Organization Public Health and the Environment	WHO-PHE
Memorandum of Understanding (MOU) – IRIS Program: Coordination of Development of Toxicological Assessments for Chemicals of Mutual Interest	Agency for Toxic Substance Drug Registry (ATSDR )
Inter-Agency Agreement (IAG) Mahogany Working Group	Dept of Interior- Field and Wildlife Services
Inter-Agency Agreement (IAG) Development of Microbiological Risk Assessment Guidelines	USDA, FDA, DHS/CDC and DOD
Inter-Agency Agreement (IAG) Dept. of Energy- Oak Ridge Operations Office for Research Participation Program- for training of scientists and engineers in risk assessment	DOE and Oak Ridge Institute for Science and Education (ORISE)
Cooperative Agreement/ Sponsorship Network for Risk Assessment and Management (NERAM)	University of Waterloo, Canada
Cooperative Agreement for the Development of a Series of Public Workshops on Human Health Risk Analysis and Scientific Issues of Selected Environmental Contaminants	NAS/BEST- Standing Committee on Risk Analysis Issues and Reviews
Cooperative Agreement for Expert Advice and Consultation on Improving Risk Assessment Approaches	NAS/NRC- Committee on Improving Risk Analysis Approaches Used by EPA
Co- Sponsor , International Conference on Biomarkers for Toxicity and Molecular Epidemiology	ATSDR, NIOSH, NIESH, and WHO
Co- Sponsor, 20 <sup>th</sup> Neurological Conference: Emerging Issues	University of Arkansas School of Medical Sciences
Co- Sponsor, 21 <sup>st</sup> International Neurological Conference on Emerging Issues	University of Arkansas School of Medical Sciences
Co- Sponsor, First World Congress on Risk Assessment	Society for Risk Analysis
Co- Sponsor, Conference on Biomarkers for Toxicity	Agency for Toxic Substance Drug Registry (ATSDR)
Co-Sponsored First World Congress on Risk	Society for Risk Analysis

**Partnership and Collaborations  
2002-2007**

Co-sponsor, National Children's' Study	NICHO, NIESH, and CDC
Co- Sponsor, 2 <sup>nd</sup> Conference on Molecular Mechanisms/ Toxicity/ Carcinogenesis	US Federal Drug Administration (FDA)
Co-sponsor, Workshop on Statistical Based Structure-Activity Relationships Models	International Life Sciences Institute (ILSI)
Co-sponsor, Research on Bench Mark Dose Modeling	Netherlands- RIVM
Collaboration, Test Guidelines for Acute Toxicity	OECD
Chair of International Committee for Environmental Health in Israel	Israel
