

CLOSING REMARKS

- Contact Information

- For joint issues, manufacturers should first contact their EPA Certification Representative before attempting to contact NHTSA to ensure a collaborative response for issues affecting both agencies
- For issues pertaining only to NHTSA, please contact:
 - Mr. James Tamm at (202) 366-0846 for rulemaking issues
 - Ms. Lily Smith at (202)366-2992 for legal issues; or
 - Mr. Maurice Hicks at (202)366-1708 for implementation issues.
