RE: Interim response to your Request for
Reconsideration (RFC # 04017A)

Dear Dr. Lee:

I want to provide you with a status update regarding your November 5, 2004, Request for Reconsideration (RFR #04017A) submitted under the Environmental Protection Agency's Information Quality Guidelines. These guidelines state that EPA's goal is to respond to the request within 90 days of receipt, either by providing a decision on the RFR or if the request will require more than 90 days to resolve, informing the requestor that more time is required.

EPA is preparing a response to your request but will require additional time to finalize its response to your request. We anticipate that a response providing the Agency's decision will be forwarded to you within an additional 60 days. Thank you for your interest in environmental information quality.

Sincerely yours,
