RE: RFC #04022,
National Association of Home Builders

Dear Mr. Howard:

I would like to take this opportunity to provide a status update on your Request for Correction (RFC #04022) dated May 12, 2004. In your letter, you requested that the U.S. Environmental Protection Agency (EPA) correct information in a fact sheet concerning "US vs. Wal-Mart Stores," that is posted on the Agency web site.

EPA has carefully evaluated your request pursuant to the Information Quality Guidelines, and is in the process of preparing a response. The Agency's goal is to respond within 90 days of receipt of the RFC, but the deliberative and thorough response process can require extending the deadline. We anticipate providing a final response to you within 60 days. If you have any questions prior to receiving the response, please feel free to contact me at (202) 564-6830.

Sincerely,

A handwritten signature in black ink, appearing to read "Reggie Cheatham".
