RE: Request for Reconsideration (RFR #10003A) - *EPA Coal Combustion Products Partnerships website*

Dear Mr. Ruch:

I am providing you with a status update regarding the Public Employees for Environmental Responsibility (PEER) Request for Reconsideration (RFR #10003A), submitted under the U.S. Environmental Protection Agency Information Quality Guidelines (EPA IQG). EPA received your RFR on March 23, 2011.

In accordance with the procedures found in Section 8.7 of the EPA IQG, the Agency convened an executive panel to review the PEER RFR. The draft RFR response is undergoing agency review. We anticipate that a final response will be sent to you within 90 business days.

Sincerely,

A handwritten signature in black ink that reads "Monica D. Jones".
