Pennsylvania's RCRA Corrective Action Work-share Program

Interim GPRA Goals for 2009

- **43% of 2020 Universe facilities meeting the groundwater EI**
- **52% of 2020 Universe facilities meeting human health EI**
- **23% of 2020 Universe facilities meeting Construction Complete**

2009 GPRA Goals that have been achieved in PA – Current Status

- **2020 Baseline 374 facilities identified**
- **Human Health EI's - 183 of 374 sites or 49% (Goal is 52%) 17 HH EIs planned for '09**
- **Groundwater EI's – 153 of 374 sites - 41% (Goal is 43%) 16 GW EIs planned for '09**

2009 GPRA Goals Achieved

- **Remedy Selection – 151 of 374 sites - 40% (Goal is 30%)* Goal met**
- **Construction Complete – 81 of 374 sites - 22% (Goal is 23%)***
- **Tracking of revitalization projects in development**

Note*: Includes No Further Action (NFA)= 46

2020 Universe – First Look

- **Work on Medium and Low Facilities**
 - Begun in 2002
 - Human health “yes” at 177 – 47% of TU
 - Ground Water “yes” at 148 – 40% of TU
 - To date 336 EI’s have been performed
 - 89% of our total universe has been looked at

Revitalization Tracking (One Cleanup Program)

- **26 Facilities have entered program**
- **3 Facilities have completed the program (Boeing, Olin & SKF)**
- **At least 14 sites have enough information to statistically evaluate the projected success of entering into the “ One Cleanup Program”.**

Revitalization Cont.

- **There are approximately 7123 Acres associated with these facilities**
- **2443 Acres are described as continued use (ongoing mfg., support activity associated with sites operation).**

Revitalization Cont.

- **3383 Acres are described as planned use (mixed commercial, residential and industrial).**
- **856 Acres have already been reused (development has occurred)**
- **A total of 6672 of the 7123 (94%) acres are currently being used or are projected to be used. The remaining 451 are currently under investigation or have no viable use.**

Corrective Action Authorization

- **PA currently not authorized**
- **Continuing the Work-Share Program with EPA**
