Report Description

This report presents available information about facilities meeting the selection criteria that have been classified as a Significant Non-Complier (SNC).

The report presents a table of the total number of SNC's, Unaddressed SNC's, Addressed SNC's, SNC's on a Compliance Schedule, and SNC's that have Missed the Compliance Schedule, grouped by region and state. The user can choose to display a detail listing of all facilities meeting the selection criteria, showing the most recent justification for the SNC classification of each facility. The user can also choose to display all current SNC's or all facilities that were determined to be a SNC within a date range. When the user chooses to display the detail listing for SNC's determined
