

Private TSDFs Not Inspected During Previous Fiscal Year

1. Enter RCRARep Database at <http://www.epa.gov/rcrarep/>

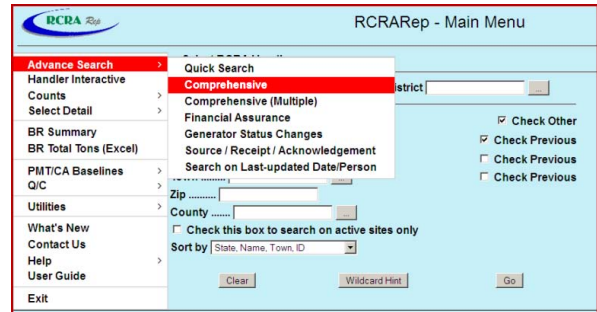

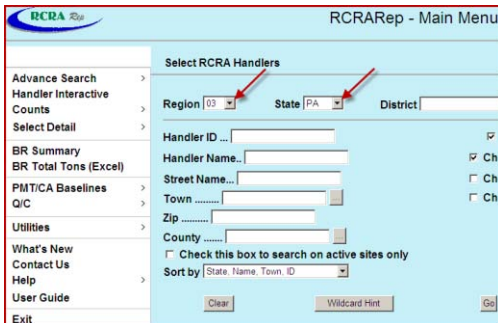

2. Log in using your RCRAInfo User ID and Password

3. "RCRARep - Main Menu". "Region 03" is the default Region. "Any" is the default state. Click the "State" drop down for results of a state in Region 3

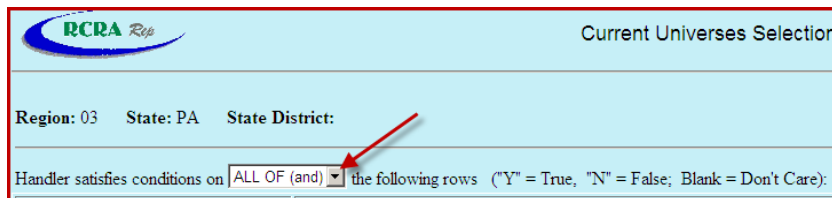

Click "Advance Search", then "Comprehensive". Screen advances automatically

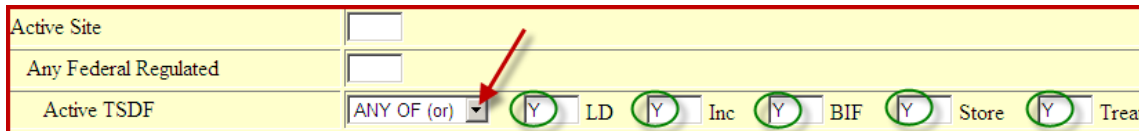

4. "Handler Selections". Click "Current Universes" and "Compliance". Click "Continue"

5. Current Universes Selection Page. Click drop down for "Handler satisfies conditions on" and select "ALL OF (and)".

6. Go to "Active TSDF" line, keep the default of "ANY OF (or)". Type a "Y" in each LD, Inc, BIF, Store, Treat box.

7. Go to “Type” at the bottom of the page. Keep the default of “ANY OF (or)”. Select “Land”, “Owner”, “Operator” and “Private (P)”. Click “Continue”.

8. “Compliance, Monitoring and Enforcement Selections” Page. Keep the default of “1. Evaluation Specific Choices”. Click “Continue”

9. “CME Evaluation Selections” Page. At “Eval Responsible Agency”, select “State”, “State Contract”, “Local (State)”. At “Selection Type”, click drop down arrow and select “Handlers with NO events as specified below”. In the Evaluation section, type in a date range, then select the type of evaluation you are interested in capturing, e.g., CEI. Click “Continue”

10. “Report Options” Page. There are 24 Handlers (Private TSDFs) not inspected (CEI) by the state (PA) in FY10. Give the Report a Title. Click the drop down for “Select Report”, select “Latest CEI Evaluation (Sort by Date)”. Click “Continue”.

11. Review your list to find the TSDFs that WERE inspected in FY11. In this example, there were two inspections.
