

# Historical Universe Counts

1. Enter RCRARep Database at <http://www.epa.gov/rcrarep/>

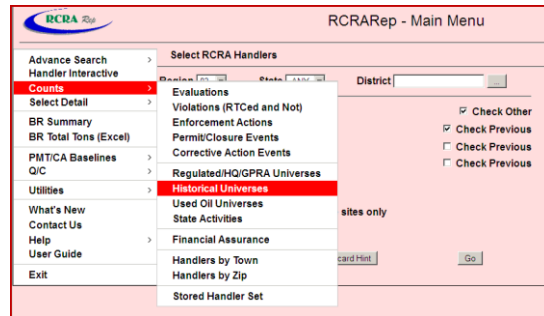

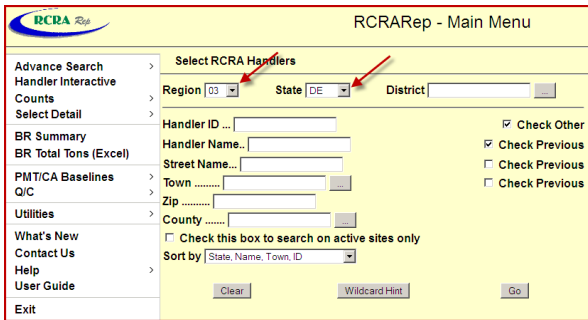

2. Log in using your RCRARep User ID and Password

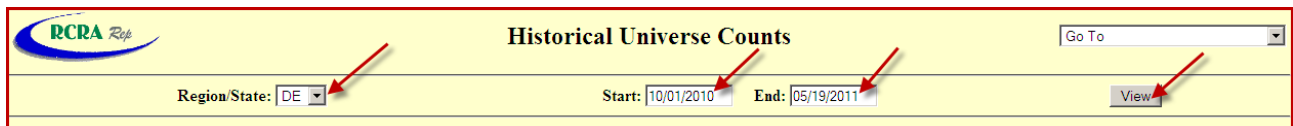

3. "RCRARep - Main Menu". "Region 03" is the default Region. "Any" is the default state. Click the "State" drop down for results of a state in Region 3

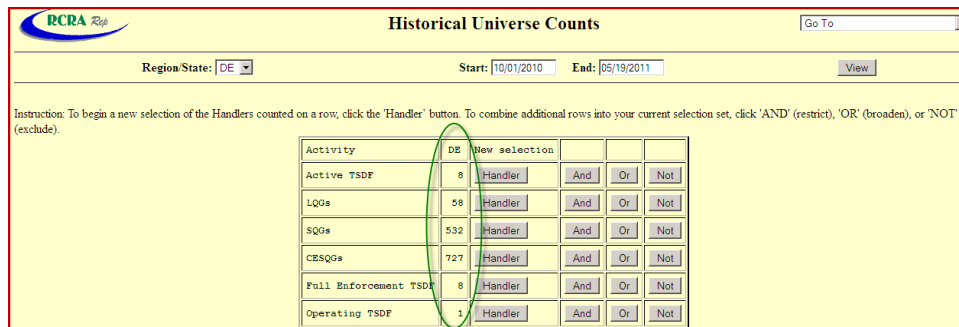

Click "Counts", then "Historical Universes". Screen advances automatically

4. "Historical Universe Counts". (Click the "Region/State" drop down and make a selection if you didn't already do so on previous screen). Type in a date range. Click "View"

5. Universe Count for Delaware

If you wanted a list of facilities in a particular universe (Washington, DC in this case), click the **“Handler”** button; the screen advances automatically.

**RCRA Rpt** Go To

Historical Universe Counts

Region/State: **DC** Start: **10/01/2010** End: **03/31/2011** View

Instruction: To begin a new selection of the Handlers counted on a row, click the 'Handler' button. To combine additional rows into your current selection set, click 'AND' (restrict), 'OR' (broaden), or 'NOT' (exclude).

Activity	DC	New selection			
Active TSDF	1	<b>Handler</b>	And	Or	Not
LQGs	30	Handler	And	Or	Not
SQGs	92	Handler	And	Or	Not
CESQGs	601	Handler	And	Or	Not
Full Enforcement TSDF	1	Handler	And	Or	Not
