

## Nationally Required Corrective Action Events

<b><u>Event Code</u></b>	<b><u>Event Description</u></b>
CA050	RFA Completed
CA075HI	CA Prioritization – High Priority
CA075LO	CA Prioritization – Low Priority
CA075ME	CA Prioritization – Medium Priority
CA100	Investigation Imposition
CA210OT	Referred to a Non-RCRA Authority – Other
CA210SF	Referred to a Non-RCRA Authority – Referred to CERCLA
CA400	Remedy Decision
CA550NR	Remedy Construction – No Remedy Constructed
CA550RC	Remedy Construction – Remedy Constructed
CA725IN	Human Exposures Controlled Determination – More Information Needed
CA725NO	Human Exposures Controlled Determination – Facility Does not Meet Definition
CA725YE	Human Exposures Controlled Determination – Yes, Applicable as of This Date
CA750IN	Release to Groundwater Controlled Determination – More Information Needed
CA750NO	Release to Groundwater Controlled Determination – Facility Does not Meet Definition
CA750YE	Release to Groundwater Controlled Determination – Yes, Applicable as of This Date
CA770GW	Engineering Controls Established – Groundwater Control
CA770NG	Engineering Controls Established – Non-Groundwater Control
CA772EP	Institutional Controls Established – Enforcement and Permit Tools
CA772GC	Institutional Controls Established – Governmental Control
CA772ID	Institutional Controls Established – Informational Device
CA772PR	Institutional Controls Established – Proprietary Control
CA780GW	Engineering Controls Terminated – Groundwater Control
CA780NG	Engineering Controls Terminated – Non-Groundwater Control
CA782EP	Institutional Controls Terminated – Enforcement and Permit Tools
CA782GC	Institutional Controls Terminated – Governmental Control
CA782ID	Institutional Controls Terminated – Informational Device
CA782PR	Institutional Controls Terminated – Proprietary Control
CA800NO	Ready for Anticipated Use Determination – Not Ready for Anticipated Use
CA800YE	Ready for Anticipated Use Determination – Ready for Anticipated Use
CA900CR	CA Performance Standards Attained – Controls Required
CA900NC	CA Performance Standards Attained – No Controls Necessary
CA999	CA Process is Terminated
CA999NF	CA Process is Terminated – No Further Action
CA999RM	CA Process is Terminated – Remedial Activities Complete
