

EPA is hosting a Public Information Session for the Metaltec/Aerosystems Superfund Site

The U.S. Environmental Protection Agency invites you to attend a public information session to discuss construction of the groundwater treatment system at the Metaltec/Aerosystems Superfund site in Franklin, New Jersey. While there will be no formal presentations, representatives from the EPA and the Army Corps of Engineers will be present to answer any community concerns in an informal setting.

The session will be held:

**Wednesday February 13, 2008
6:00 to 9:00 PM**

**Franklin Borough Municipal Building
Council Chambers
46 Main Street
Franklin, NJ 07416**

For additional information you can:
