

### **Attention Residents**

The U.S. Environmental Protection Agency (EPA) will be taking an interim action for lead contamination at the property located the corner of Richmond Terrace and Park Avenue (**the vacant lot which was the former Sedutto's ice cream factory**) on 2000 Richmond Terrace. The EPA will be in your neighborhood starting on April 6, 2009. We are working diligently to minimize any risks in the area and we are committed to keeping any inconvenience to a minimum.

EPA is taking all precautions necessary to protect you and others in the area during this interim action. **We ask that you please stay away from the work area.** You can find more information in the attached *Jewett White Lead* fact sheet. If you have any questions, please contact Wanda Ayala, Community Involvement Coordinator at 212-637-3676 (Spanish) or Cecilia Echols, Community Involvement Coordinator at 212-637-3678 (English) or toll free at 1-800-346-5009.
