

EPA Region 6 NPDES Storm Water Construction SWPPP Certification

This certification is prepared for compliance with Part 3.12.D. of the NPDES Region 6 Storm Water Construction General Permit [68 Fed. Reg. 39087] and may be used in the Storm Water Pollution Prevention Plan (SWPPP). All parties that either individually, or taken together, meet the definition of "operator," must be permitted and sign a SWPPP certification. Each of these parties must have separate and distinct NPDES permit numbers (e.g. a separate permit is typically needed for each Owner/Developer, General Contractor, and/or Builder). If you do not know your NPDES Permit Number, contact the NOI Processing Center at (866)352-7755. EPA's Region 6 storm water hotline phone number is (214)665-8060. This form was prepared as a guideline and it is not a required form for use with the permit. This information may be displayed in alternative form or formats within guidelines set forth in the permit. Additional information regarding the NPDES Region 6 storm water program may be found on the Internet at <http://www.epa.gov/region6/sw/>. Any person with a complaint about the operation of this facility in regards to this permit should contact EPA Region 6 at (214)665-7112.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted.
