Subject: Response to the Environmental Protection Agency January 25, 2010 E-Mail and February 22, 2010 Letter

Dear Mr. Flynn:

In response to the Environmental Protection Agency (EPA) e-mail of January 25, 2010 regarding follow-up questions to issues first raised in the EPA May 21, 2009 letter, the United States Department of Energy (DOE) is providing information that answers the remaining question in that e-mail. In addition, DOE is providing responses to the remaining questions in the EPA letter of February 22, 2010.

This submittal includes four enclosures. Enclosure 1 is a hard copy of the responses. Enclosure 2 (on compact disc) provides references that were not previously submitted with the CRA-2009. Enclosure 3 is a cumulative list of errata that have been identified and corrected up to this point. Enclosure 4 is a table with a summary of comments received, DOE responses in this submittal, responses previously submitted and responses still pending.

If you have any questions, please contact Russell Patterson at (575) 234-7457.

Sincerely,

David C. Moody
