VAJTE

HALLOWEEN FIXIT CLINIC

Bring out your DEAD...

- appliances and electronics
- laptops and gadgets
- toys, bicycles, whatever
 ... for disassembly and possible
 repair.

We provide specialty tools and technical wizardry to help you try to fix your item.

PHONE

YOUR

NOTE: You are responsible for repairs, parts, safety, and any damage that may occur. Library staff can provide research assistance only.

GFFICE OF SUSTAINABILITY COUNTY OF SAN MATEO

TAKE APART YOUR SMARTPHONE OR TABLET TO REPLACE THE BATTERY, REPLACE A BROKEN SCREEN OR TO DRY IT OUT - OR OPEN YOUR LAPTOP TO MAKE REPAIRS. WE HAVE TOOLS TO BORROW!

BEFORE Checking Out tools

1) Research and find a good step-by-step guide, specific to your phone. iFixit.com and YouTube are good resources; make sure you're comfortable with the process.

2)Obtain any replacement parts necessary.

3) Come to the library to borrow the kit!

LUND UNIVERSITY

Hospitals Need to Repair Ventilators.

Manufacturers Are Making That Impossible.
