PURPOSE

This document transmits the attached OSWER Directive 9200.3-14-1G-S, "Superfund Program Implementation Manual (SPIM)," Fiscal Year (FY) 2008/2009.

DOCUMENT

The FY08/09 SPIM was circulated for regional and headquarters review on December 13, 2006, and comments were to be received by January 19, 2007. An all-day-comments-meeting was held on February 14, 2007, for data sponsors and program managers to approve changes.

IMPACT ON CERCLIS/WASTELAN

Please see attached Impact Analysis.

ACTION

The SPIM is in a loose leaf, three ring binder format. Addressees, also, will be sent new *Adobe* (.pdf) files. If you have specific program questions, please contact the Subject Matter Expert identified on the change log or the last page of each section of the SPIM. Please contact Robert White (703-603-8873) for general SPIM questions. The FY08/09 SPIM will be found @ <http://www.epa.gov/superfund/action/process/spim08/>. The new files will be installed in approximately 5 - 10 workdays.
