**MEMORANDUM**

SUBJECT: Compliance Assurance Monitoring Rule Implementation Questions and Responses

FROM: Steven J. Hitte, Leader  
Operating Permits Group, ITPID (MD-12)

TO: Air Program Manager  
Regions I-X

In anticipation of questions that your office may receive concerning implementing the recently promulgated Compliance Assurance Monitoring (CAM) rule with existing operating permit programs, we have prepared the attached list of initial questions and responses for your use and for distribution to the permitting authorities and source owners or operators in your jurisdiction. These frequently asked questions (FAQs) and responses will also appear in the title V operating permit and CAM websites at "<http://www.epa.gov/oar/oaqps/permits>" and "<http://134.67.104.12/html/emtic/cam.htm>." As additional questions and response arise, we will update these FAQs as appropriate. Should you have questions concerning the FAQs, please contact Barrett Parker at (919) 541-5635.
