

NOTE

The Worker Protection Standard (WPS) Inspection and Enforcement Accomplishment Report is prepared annually by EPA based on data submitted by states and tribes or the regional program staff in instances where EPA manages the WPS program.

This data represents only those inspections reported to EPA and may not include all inspections or enforcement actions taken by a state or tribe. This is an overview of WPS violations during WPS inspections. States and tribes voluntarily reported on the ten specific WPS violation categories that each enforcement action covered.

EPA provides guidelines on reporting WPS compliance monitoring and enforcement activities conducted under the Federal Insecticide, Fungicide and Rodenticide Act State and Tribal Assistance Grants (STAG) Cooperative Agreement program.
