Dear Sir:

Enclosed is the Smithsonian Institution's Federal Facilities Compliance Report as required by the Underground Storage Tank Compliance Act of 2005. The data reflects information available as of September 15, 2006.

Our next steps include providing awareness training to all relevant Smithsonian Institution (SI) personnel regarding the proper management of USTs. We will also forward the information gathered for this report to appropriate SI offices to improve our ability to regularly track UST compliance and operating procedures.

Sincerely,
