Office of Budget, Finance and Management

JUL 28 2006

The Honorable Stephen Johnson  
Administrator  
U.S. Environmental Protection Agency  
1200 Pennsylvania Avenue, NW  
MC0001  
Washington, D.C. 20460-0001

Dear Mr. Johnson:

As the Social Security Administration's (SSA) Agency Environmental Executive, I am forwarding SSA's Underground Storage Tank Compliance Act (USTCA) compliance strategy, required by Section 9007(b)(1) of Subtitle I. I am pleased to share with you that SSA's non-exempt underground storage tanks (UST) were in full compliance with the standards set forth in the USTCA of 2005.

The enclosed report inventories the USTs owned or operated by SSA and uses the FedCenter UST reporting system format. SSA does not manage lands (parks, tribal lands, etc.) with USTs. UST identification numbers were coordinated with the General Services Administration to ensure that double counting of SSA's USTs does not occur.

At your agency's request, a copy of this report has also been forwarded to Senator James M. Inhofe, Chairman of the Senate Committee on Environment and Public Works and Congressman Joe Barton, Chairman of the U.S. House of Representatives Committee on Energy and Commerce.

If you have any questions or concerns about this report, please contact me at (410) 965-2910. Donna L. Siegel, Associate Commissioner for Facilities Management, is available at (410) 965-6789 to discuss any staff questions or comments.

Sincerely,

Dale W. Sopper  
Deputy Commissioner  
for Budget, Finance and Management

Enclosure
