Dear Ms. LeHuray:

I would like to provide an update on the status of your Information Quality Guidelines Request for Correction (RFC) #14003 received at the Environmental Protection Agency on April 16, 2014.

Due to the complexity of the issues raised in your request, the final review of the draft response is taking longer than anticipated. This review has resulted in additional technical analysis and revisions to the initial draft response.

My goal is to provide the final response to your RFC within 90 business days (i.e., on September 8, 2015) of this letter, if not sooner.

Sincerely,

A handwritten signature in blue ink that reads "Monica D. Jones".

Monica D. Jones  
Director, Quality Staff
