Division of Planning and Permits
Department of Environmental Protection
Rachel Carson State Office Building
400 Market Street Harrisburg, PA 17101

To whom it may concern:

As per **NPDES** permit number **PA011223**, *J.J. Bucher Producing Corporation* operates an oil stripper well waste water plant only. We do not accept or dispose of any waste water from natural gas drilling or production. This should agree with your current records and permits. If you have further inquiries contact us directly.

Sincerely,

Gregory A. Maxson, President

J.J. Bucher Producing Corporation
