An appeal or motion under this part directed to the Administrator, rather than to the Environmental Appeals Board, will not be considered. This delegation of authority to the Environmental Appeals Board does not preclude the Environmental Appeals Board from referring any case or motion governed by this part to the Administrator when the Environmental Appeals Board, in its direction, deems it appropriate to do so. When an appeal or motion is referred to the Administrator, all parties shall be so notified and the rules in this part referring to the Environmental Appeals Board shall be interpreted as referring to the Administrator. (b) *Regional Administrator.* The Regional Administrator shall exercise all powers and duties as prescribed or delegated under the Act and these rules of practice.

(1) *Delegation to Regional Judicial Officer.* One or more Regional Judicial Officers may be designated by the Regional Administrator to perform, within the region of their designation, the functions described below. The Regional Judicial Officer shall exercise all powers and duties prescribed or delegated under the Act or these rules of practice.

(2) *Qualifications of Regional Judicial Officer.* A Regional Judicial Officer shall be an attorney who is a permanent or temporary employee of the Agency or some other Federal agency and who may perform other duties within the Agency. - (8) Require parties to attend conferences for the settlement or simplification of the issues, or the expedition of the proceedings;

Any party may at any time by motion to the Administrator request that the Regional Administrator, a member of the Environmental Appeals Board, or the Presiding Officer be disqualified or request that the Administrator disqualify himself or herself from the proceeding. The Administrator, the Regional Administrator, a member of the Environmental Appeals Board, the Regional Judicial Officer, or the Presiding Officer may at any time withdraw from any proceeding in which they deem themselves disqualified or unable to act for any reason.

(2) If the Administrator, the Regional Administrator, the Regional Judicial Officer, or the Presiding Officer is disqualified or withdraws from the proceeding, a qualified individual who has none of the infirmities listed in paragraph (d)(1) of this section shall be assigned

to replace him. Assignment of a replacement for Regional Administrator or for the Regional Judicial Officer shall be made by the Administrator or the Regional Administrator, respectively. The Administrator, should he or she withdraw or disqualify himself or herself, shall assign the Regional Administrator from the Region where the case originated to replace him or her. 22.17 Default order.

(a) *Default.* A party may be found to be in default (1) after motion, upon failure to file a timely answer to the complaint; (2) after motion or sua sponte, upon failure to comply with a prehearing or hearing order of the Presiding Officer; or (3) after motion or sua sponte, upon failure to appear at a conference or hearing without good cause being shown. No finding of default on the basis of a failure to appear at a hearing shall be made against the respondent unless the complainant presents sufficient evidence to the Presiding Officer to establish a prima facie case against the respondent. Any motion for a default order shall include a proposed default order and shall be served upon all parties. The alleged defaulting party shall have twenty (20) days from service to reply to the motion. Default by respondent constitutes, for purposes of the pending action only, an admission of all facts alleged in the complaint and a waiver of respondent's right to a hearing on

such factual allegations. If the complaint is for the assessment of a civil penalty, the penalty proposed in the complaint shall become due and payable by respondent without further proceedings sixty (60) days after a final order issued upon default. If the complaint is for the revocation or suspension of a permit, the conditions of revocation or suspension proposed in the complaint shall become effective without further proceedings on the date designated by the Administrator in his final order issued upon default. Default by the complainant shall result in the dismissal of the complaint with prejudice.

(b) *Procedures upon default.* When Regional Administrator or Presiding Officer finds a default has occurred, he shall issue a default order against the defaulting party. This order shall constitute the initial decision, and shall be filed with the Regional Hearing Clerk.

(c) *Contents of a default order.* A default order shall include findings of fact showing the grounds for the order, conclusions regarding all material issues of law or discretion, and the penalty which is recommended to be assessed or the terms and conditions of permit revocation or suspension, as appropriate.

(d) For good cause shown the Regional Administrator or the Presiding Officer, as appropriate, may set aside a default order.

22.18 Informal settlement; consent agreement and order.

(a) *Settlement policy.* The Agency encourages settlement of a proceeding at any time if the settlement is consistent with the provisions and objectives of the Act and applicable regulations. The respondent may confer with complainant concerning settlement whether or not the respondent requests a hearing. Settlement conferences shall not affect the respondent's obligation to file a timely answer under section 22.16.

(b) *Consent agreement.* The parties shall forward a written consent agreement and a proposed consent order to the Regional Administrator whenever settlement or compromise is proposed. The consent agreement shall state that, for the purpose of this proceeding, respondent (1) admits the jurisdictional allegations of the complaint; (2) admits the facts stipulated in the consent agreement or neither admits nor denies specific factual allegations contained in the complaint; and (3) consents to the assessment of a stated civil penalty or to the stated permit revocation or suspension, as the case may be. The consent agreement shall include any and all terms of the agreement, and shall be signed by all parties or their counsel or representatives.

(c) *Consent order.* No settlement or consent agreement shall dispose of any proceeding under these rules of practice without a consent order from the Regional Administrator. In preparing such an order, the Regional Administrator may require that the parties to the settlement appear before him to answer inquiries relating to the consent agreement or order.

22.19 Prehearing conference.

(a) *Purpose of prehearing conference.* Unless a conference appears unnecessary, the Presiding Officer, at any time before the hearing begins, shall direct the parties and their counsel or other representatives to appear at a conference before him to consider:

- (1) The settlement of the case;
- (2) The simplification of issues and stipulation of facts not in dispute;
- (3) The necessity or desirability of amendments to pleadings;
- (4) The exchange of exhibits, documents, prepared testimony, and admissions or stipulations of fact which will avoid unnecessary proof;
- (5) The limitation of the number of expert or other witnesses;
- (6) Setting a time and place for the hearing; and
- (7) Any other matters which may expedite the disposition of the proceeding.

(b) *Exchange of witness lists and documents.* Unless otherwise ordered by the Presiding Officer, each party at the prehearing conference shall make available to all other parties (1) The names of the expert and other witnesses he intends to call, together with a brief narrative summary of their expected testimony, and (2) copies of all documents and exhibits which each party intends to introduce into evidence. Documents and exhibits shall be marked for identification as ordered by the Presiding Officer. Documents that have not been exchanged and witnesses whose names have not been exchanged shall not be introduced into evidence or allowed to testify without permission of the Presiding Officer. The Presiding Officer shall allow the parties reasonable opportunity to review new evidence.

(c) *Record of the prehearing conference.* No transcript of a prehearing conference relating to settlement shall be made. With respect to other prehearing conferences, no transcript of any prehearing conferences shall be made unless ordered by the Presiding Officer upon motion of a party or sua sponte. The Presiding Officer shall prepare and file for the record a written summary of the action taken at the conference. The summary shall incorporate any written stipulations or agreements of the parties and all rulings and appropriate orders containing directions to the parties.

(d) *Location of prehearing conference.* The prehearing conference shall be held in the county where the respondent resides or conducts the business which the hearing concerns, in the city in which the relevant Environmental Protection Agency Regional Office is located, or in Washington, DC, unless (1) the Presiding Officer determines that there is good cause to hold it at another location in a region or by telephone, or (2) the Supplemental rules of practice provide otherwise.

(e) *Unavailability of a prehearing conference.* If a prehearing conference is unnecessary or impracticable, the Presiding Officer, on motion or sua sponte, may direct the parties to correspond with him to accomplish any of the objectives set forth in this section.

(f) *Other discovery.*

(1) Except as provided by paragraph (b) of this section, further discovery, under this section, shall be permitted only upon determination by the Presiding Officer:

(i) That such discovery will not in any way unreasonably delay the proceeding;

(ii) That the information to be obtained is not otherwise obtainable; and

(iii) That such information has significant probative value.

(2) The Presiding Officer shall order depositions upon oral questions only upon a showing of good cause and upon a finding that:

(i) The information sought cannot be obtained by alternative methods; or

(ii) There is a substantial reason to believe that relevant and probative evidence may otherwise not be preserved for presentation by a witness at the hearing.

(3) Any party to the proceeding desiring an order of discovery shall make a motion therefor. Such a motion shall set forth:

(i) The circumstances warranting the taking of the discovery;

(ii) The nature of the information expected to be discovered; and

(iii) The proposed time and place where it will be taken. If the Presiding Officer determines that the motion should be granted, he shall issue an order for the taking of such discovery together with the conditions and terms thereof.

(4) When the information sought to be obtained is within the control of one of the parties, failure to comply with an order issued pursuant to this paragraph may lead to (i) the inference that the information to be discovered would be adverse to the party from whom the information was sought, or (ii) the issuance of a default order under section 22.17(a).

22.20 Accelerated decision; decision to dismiss.

(a) *General.* The Presiding Officer, upon motion of any party or sua sponte, may at any time render an accelerated decision in favor of the complainant or the respondent as to all or any part

of the proceeding, without further hearing or upon such limited additional evidence, such as affidavits, as he may require, if no genuine issue of material fact exists and a party is entitled to judgment as a matter of law, as to all or any part of the proceeding. In addition, the Presiding Officer, upon motion of the respondent, may at any time dismiss an action without further hearing or upon such limited additional evidence as he requires, on the basis of failure to establish a prima facie case or other grounds which show no right to relief on the part of the complainant.

(b) *Effect.*

(1) If an accelerated decision or a decision to dismiss is issued as to all the issues and claims in the proceeding, the decision constitutes an initial decision of the Presiding Officer, and shall be filed with the Regional Hearing Clerk.

(2) If an accelerated decision or a decision to dismiss is rendered on less than all issues or claims in the proceeding, the Presiding Officer shall determine what material facts exist without substantial controversy and what material facts remain controverted in good faith. He shall thereupon issue -an interlocutory order specifying the -facts which appear substantially uncontroverted, and the issues and claims upon which the hearing will proceed.

[§ 22.25 Filing the transcript.](#)

[§ 22.26 Proposed findings, conclusions, and order.](#)

22.21 Scheduling the hearing.

(a) When an answer is filed, the Regional Hearing Clerk shall forward the complaint, the answer, and any other documents filed thus far in the proceeding to the Chief Administrative Law Judge who shall assign himself or another Administrative Law Judge as Presiding Officer, unless otherwise provided in the Supplemental rules of practice. The Presiding Officer shall then obtain the case file from the Chief Administrative Law Judge and notify the parties of his assignment.

(b) *Notice of hearing.* If the respondent requests a hearing in his answer, or one is ordered by the Presiding Officer under section 22.15(c), the Presiding Officer shall serve upon the parties a notice of hearing setting forth a time and place for the hearing. The Presiding Officer may issue the notice of hearing at any appropriate time, but not later than twenty (20) days prior to the date set for the hearing.

(c) *Postponement of hearing.* No request for postponement of a hearing shall be granted except upon motion and for good cause shown.

(d) *Location of the hearing.* The location of the hearing shall be determined in accordance with the method for determining the location of a prehearing conference under section 22.19(d).

22.22 Evidence.

(a) *General.* The Presiding Officer shall admit all evidence which is not irrelevant, immaterial, unduly repetitious, or otherwise unreliable or of little probative value, except that evidence relating to settlement which would be excluded in the federal courts under Rule 408 of the Federal Rules of Evidence is not admissible. In the presentation, admission, disposition, and use of evidence, the Presiding Officer shall preserve the confidentiality of trade secrets and other commercial and financial information. The confidential or trade secret status of any information shall not, however, preclude its being introduced into evidence. The Presiding Officer may make such orders as may be necessary to consider such evidence in camera, including the preparation of a supplemental initial decision to address questions of law, fact, or discretion which arise out of that portion of the evidence which is confidential or which includes trade secrets.

(b) *Examination of witnesses.* Witnesses shall be examined orally, under oath or affirmation, except as otherwise provided in these rules of practice or by the Presiding Officer. Parties shall have the right to cross-examine a witness who appears at the hearing provided that such cross-examination is not unduly repetitious.

(c) *Verified statements.* The Presiding Officer may admit an insert into the record as evidence, in lieu of oral testimony, statements of fact or opinion prepared by a witness. The admissibility of the evidence contained in the statement shall be subject to the same rules as if the testimony were produced under oral examination. Before any such statement is read or admitted into evidence, the witness shall deliver a copy of the statement to the Presiding Officer, the reporter, and opposing counsel. The witness presenting the statement shall swear to or affirm the statement and shall be subject to appropriate oral cross-examination upon the contents thereof.

(d) *Admission of affidavits where the witness is unavailable.* The Presiding Officer may admit into evidence affidavits of witnesses who are unavailable. The term "unavailable" shall have the meaning accorded to it by Rule 804(a) of the Federal Rules of Evidence.

(e) *Exhibits.* Where practicable, an original and one copy of each exhibit shall be filed with the Presiding Officer for the record and a copy shall be furnished to each party. A true copy of any exhibit may be substituted for the original.

(f) *Official notice.* Official notice may be taken of any matter judicially noticed in the Federal courts and of other facts within the specialized knowledge and experience of the Agency. Opposing parties shall be given adequate opportunity to show that such facts are erroneously noticed.

22.23 Objections and offers of proof.

(a) *Objection.* Any objection concerning the conduct of the hearing may be stated orally or in writing during the hearing. The party raising the objection must supply a short statement of its grounds. The ruling by the Presiding Officer on any objection and the reasons given for it shall be part of the record. An exception to each objection overruled shall be automatic and is not waived by further participation in the hearing.

(b) *Offer of proof.* Whenever evidence is excluded from the record, the party offering the evidence may make an offer of proof, which shall be included in the record. The offer of proof for excluded oral testimony shall consist of a brief statement describing the nature of the evidence excluded. The offer of proof for excluded documents or exhibits shall consist of the insertion in the record of the documents or exhibits excluded. Where the Environmental Appeals Board decides that the ruling of the Presiding Officer in excluding the evidence was both erroneous and prejudicial, the hearing may be reopened to permit the taking of such evidence.

[45 FR 24363, Apr. 9, 1980, as amended at 57 FR 5325, Feb. 13, 1992]

22.24 Burden of presentation; burden of persuasion.

The complainant has the burden of going forward with and of proving that the violation occurred as set forth in the complaint and that the proposed civil penalty, revocation, or suspension, as the case may be, is appropriate. Following the establishment of a prima facie case, respondent shall have the burden of presenting and of going forward with any defense to the allegations set forth in the complaint. Each matter of controversy shall be determined by the Presiding Officer upon a preponderance of the evidence.

22.25 Filing the transcript.

The hearing shall be transcribed verbatim. Promptly following the taking of the last evidence, the reporter shall transmit to the Regional Hearing Clerk the original and as many copies of the transcript of testimony as are called for in the reporter's contract with the Agency, and also shall transmit to the Presiding Officer a copy of the transcript. A certificate of service shall accompany each copy of the transcript. The Regional Hearing Clerk shall notify all parties of the availability of the transcript and shall furnish the parties with a copy of the transcript upon payment of the cost of reproduction, unless a party can show that the cost is unduly burdensome. Any person not a party to the proceeding may receive a copy of the transcript upon payment of the reproduction fee, except for those parts of the transcript order to be kept confidential by the Presiding Officer.

22.26 Proposed findings, conclusions, and order.

Within twenty (20) days after the parties are notified of the availability of the transcript, or within such longer time as may be fixed by the Presiding Officer, any party may submit for the consideration of the Presiding Officer, proposed findings of fact, conclusions of law, and a proposed order, together with briefs in support thereof. The Presiding Officer shall set a time by which reply briefs must be submitted. All submissions shall be in writing, shall be served upon all parties, and shall contain adequate references to the record and authorities relied on.

Part 22: Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation or Suspension of Permits

Subpart E_Initial Decision and Motion To Reopen a Hearing

[§ 22.27 Initial decision.](#)

[§ 22.28 Motion to reopen a hearing.](#)

22.27 Initial decision.

(a) *Filing and contents.* The Presiding Officer shall issue and file with the Regional Hearing Clerk his initial decision as soon as practicable after the period for filing reply briefs under section 22.26 has expired. The Presiding Officer shall retain a copy of the complaint in the duplicate file. The initial decision shall contain his findings of fact, conclusions regarding all material issues of law or discretion, as well as reasons therefor, a recommended civil penalty assessment, if appropriate, and a proposed final order. Upon receipt of an initial decision, the Regional Hearing Clerk shall forward a copy to all parties, and shall send the original, along with the record of the proceeding, to the Hearing Clerk. The Hearing Clerk shall forward a copy of the initial decision to the Environmental Appeals Board.

(b) *Amount of civil penalty.* If the Presiding Officer determines that a violation has occurred, the Presiding Officer shall determine the dollar amount of the recommended civil penalty to be assessed in the initial decision in accordance with any criteria set forth in the Act relating to the proper amount of a civil penalty, and must consider any civil penalty guidelines issued under the Act. If the Presiding Officer decides to assess a penalty different in amount from the penalty recommended to be assessed in the complaint, the Presiding Officer shall set forth in the initial decision the specific reasons for the increase or decrease. The Presiding Officer shall not raise a penalty from that recommended to be assessed in the complaint if the respondent has defaulted.

(c) *Effect of initial decision.* The initial decision of the Presiding Officer shall become the final order of the Environmental Appeals Board within forty-five (45) days after its service upon the parties and without further proceedings unless (1) an appeal to the Environmental Appeals Board is taken from it by a party to the proceedings, or (2) the Environmental Appeals Board elects, sua sponte, to review the initial decision.

[45 FR 24363, Apr. 9, 1980, as amended at 57 FR 5325, Feb. 13, 1992]

22.28 Motion to reopen a hearing.

(a) *Filing and content.* A motion to reopen a hearing to take further evidence must be made no later than twenty (20) days after service of the initial decision on the parties and shall (1) state the specific grounds upon which relief is sought, (2) state briefly the nature and purpose of the evidence to be adduced, (3) show that such evidence is not cumulative, and (4) show good cause why such evidence was not adduced at the hearing. The motion shall be made to the Presiding Officer and filed with the Regional Hearing Clerk.

(b) *Disposition of motion to reopen a hearing.* Within ten (10) days following the service of a motion to reopen a hearing, any other party to the proceeding may file with the Regional Hearing Clerk and serve on all other parties an answer thereto. The Presiding Officer shall announce his intent to grant or deny such motion as soon as practicable thereafter. The conduct of any proceeding which may be required as a result of the granting of any motion allowed in this section shall be governed by the provisions of the applicable sections of these rules. The filing of a motion to reopen a hearing shall automatically stay the running of all time periods specified under these Rules until such time as the motion is denied or the reopened hearing is concluded.

Part 22: Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation or Suspension of Permits

Subpart F_Appeals and Administrative Review

[§ 22.29 Appeal from or review of interlocutory orders or rulings.](#)

[§ 22.30 Appeal from or review of initial decision.](#)

22.29 Appeal from or review of interlocutory orders or rulings.

(a) *Request for interlocutory appeal.* Except as provided in this section, appeals to the Environmental Appeals Board shall obtain as a matter of right only from a default order, an accelerated decision or decision to dismiss issued under section 22.20(b)(1), or an initial decision rendered after an evidentiary hearing. Appeals from other orders or rulings shall lie only if the Presiding Officer or Regional Administrator, as appropriate, upon motion of a party, certifies such orders or rulings to the Environmental Appeals Board on appeal. Requests for such certification shall be filed in writing within six (6) days of notice of the ruling or service of the order, and shall state briefly the grounds to be relied upon on appeal.

(b) *Availability of interlocutory appeal.* The Presiding Officer may certify any ruling for appeal to the Environmental Appeals Board when (1) the order or ruling involves an important question of law or policy concerning which there is substantial grounds for difference of opinion, and (2) either (i) an immediate appeal from the order or ruling will materially advance the ultimate termination of the proceeding, or (ii) review after the final order is issued will be inadequate or ineffective.

(c) *Decision.* If the Environmental Appeals Board determines that certification was improvidently granted, or if the Environmental Appeals Board takes no action within thirty (30) days of the certification, the appeal is dismissed. When the Presiding Officer declines to certify an order or ruling to the Environmental Appeals Board on interlocutory appeal, it may be reviewed by the Environmental Appeals Board only upon appeal from the initial decision, except when the Environmental Appeals Board determines, upon motion of a party and in exceptional circumstances, that to delay review would be contrary to the public interest. Such motion shall be made within six (6) days of service of an order of the Presiding Officer refusing to certify a ruling

for interlocutory appeal to the Environmental Appeals Board. Ordinarily, the interlocutory appeal will be decided on the basis of the submissions made by the Presiding Officer. The Environmental Appeals Board may, however, allow further briefs and oral argument.

(d) *Stay of proceedings.* The Presiding Officer may stay the proceedings pending a decision by the Environmental Appeals Board upon an order or ruling certified by the Presiding Officer for an interlocutory appeal. Proceedings will not be stayed except in extraordinary circumstances. Where the Presiding Officer grants a stay of more than thirty (30) days, such stay must be separately approved by the Environmental Appeals Board.

[45 FR 24363, Apr. 9, 1980, as amended at 57 FR 5325, Feb. 13, 1992]

22.30 Appeal from or review of initial decision.

(a) *Notice of appeal.*

(1) Any party may appeal an adverse ruling or order of the Presiding Officer by filing a notice of appeal and an accompanying appellate brief with the Environmental Appeals Board and upon all other parties and amicus curiae within twenty (20) days after the initial decision is served upon the parties. The notice of appeal shall set forth alternative findings of fact, alternative conclusions regarding issues of law or discretion, and a proposed order together with relevant references to the record and the initial decision. The appellant's brief shall contain a statement of the issues presented for review, a statement of the nature of the case and the facts relevant to the issues presented for review, argument on the issues presented, and a short conclusion stating the precise relief sought, together with appropriate references to the record.

(2) Within fifteen (15) days of the service of notices of appeal and briefs under paragraph (a)(1) of this section, any other party or amicus curiae may file and serve with the Environmental Appeals Board a reply brief responding to argument raised by the appellant, together with references to the relevant portions of the record, initial decision, or opposing brief. Reply briefs shall be limited to the scope of the appeal brief. Further briefs shall be filed only with the permission of the Environmental Appeals Board.

(b) *Sua sponte review by the Environmental Appeals Board.* Whenever the Environmental Appeals Board determines sua sponte to review an initial decision, the Environmental Appeals Board shall serve notice of such intention on the parties within forty-five (45) days after the initial decision is served upon the parties. The notice shall include a statement of issues to be briefed by the parties and a time schedule for the service and filing of briefs.

(c) *Scope of appeal or review.* If the Environmental Appeals Board determines that issues raised,

but not appealed by the parties, should be argued, it shall give counsel for the parties reasonable written notice of such determination to permit preparation of adequate argument. Nothing herein shall prohibit the Environmental Appeals Board from remanding the case to the Presiding Officer for further proceedings.

(d) *Argument before the Environmental Appeals Board.* The Environmental Appeals Board may, upon request of a party or sua sponte, assign a time and place for oral argument after giving consideration to the convenience of the parties.

Subpart G_Final Order on Appeal

[§ 22.31 Final order on appeal.](#)

[§ 22.32 Motion to reconsider a final order.](#)

22.31 Final order on appeal.

(a) *Contents of the final order.* When an appeal has been taken or the Environmental Appeals Board issues a notice of intent to conduct a review sua sponte, the Environmental Appeals Board shall issue a final order as soon as practicable after the filing of all appellate briefs or oral argument, whichever is later. The Environmental Appeals Board shall adopt, modify, or set aside the findings and conclusions contained in the decision or order being reviewed and shall set forth in the final order the reasons for its actions. The Environmental Appeals Board may, in its discretion, increase or decrease the assessed penalty from the amount recommended to be assessed in the decision or order being reviewed, except that if the order being reviewed is a default order, the Environmental Appeals Board may not increase the amount of the penalty.

(b) *Payment of a civil penalty.* The respondent shall pay the full amount of the civil penalty assessed in the final order within sixty (60) days after receipt of the final order unless otherwise agreed by the parties. Payment shall be made by forwarding to the Regional Hearing Clerk a cashier's check or certified check in the amount of the penalty assessed in the final order, payable to the Treasurer, United States of America.

[45 FR 24363, Apr. 9, 1980, as amended at 57 FR 5326, Feb. 13, 1992]

22.32 Motion to reconsider a final order.

Motions to reconsider a final order shall be filed within ten (10) days after service of the final

order. Every such motion must set forth the matters claimed to have been erroneously decided and the nature of the alleged errors. Motions for reconsideration under this provision shall be directed to, and decided by, the Environmental Appeals Board. Motions for reconsideration directed to the Administrator, rather than to the Environmental Appeals Board, will not be considered, except in cases that the Environmental Appeals Board has referred to the Administrator pursuant to section 22.04(a) and in which the Administrator has issued the final order. A motion for reconsideration shall not stay the effective date of the final order unless specifically so ordered by the Environmental Appeals Board.
