Food Recovery Pyramid

Feed Hungry People

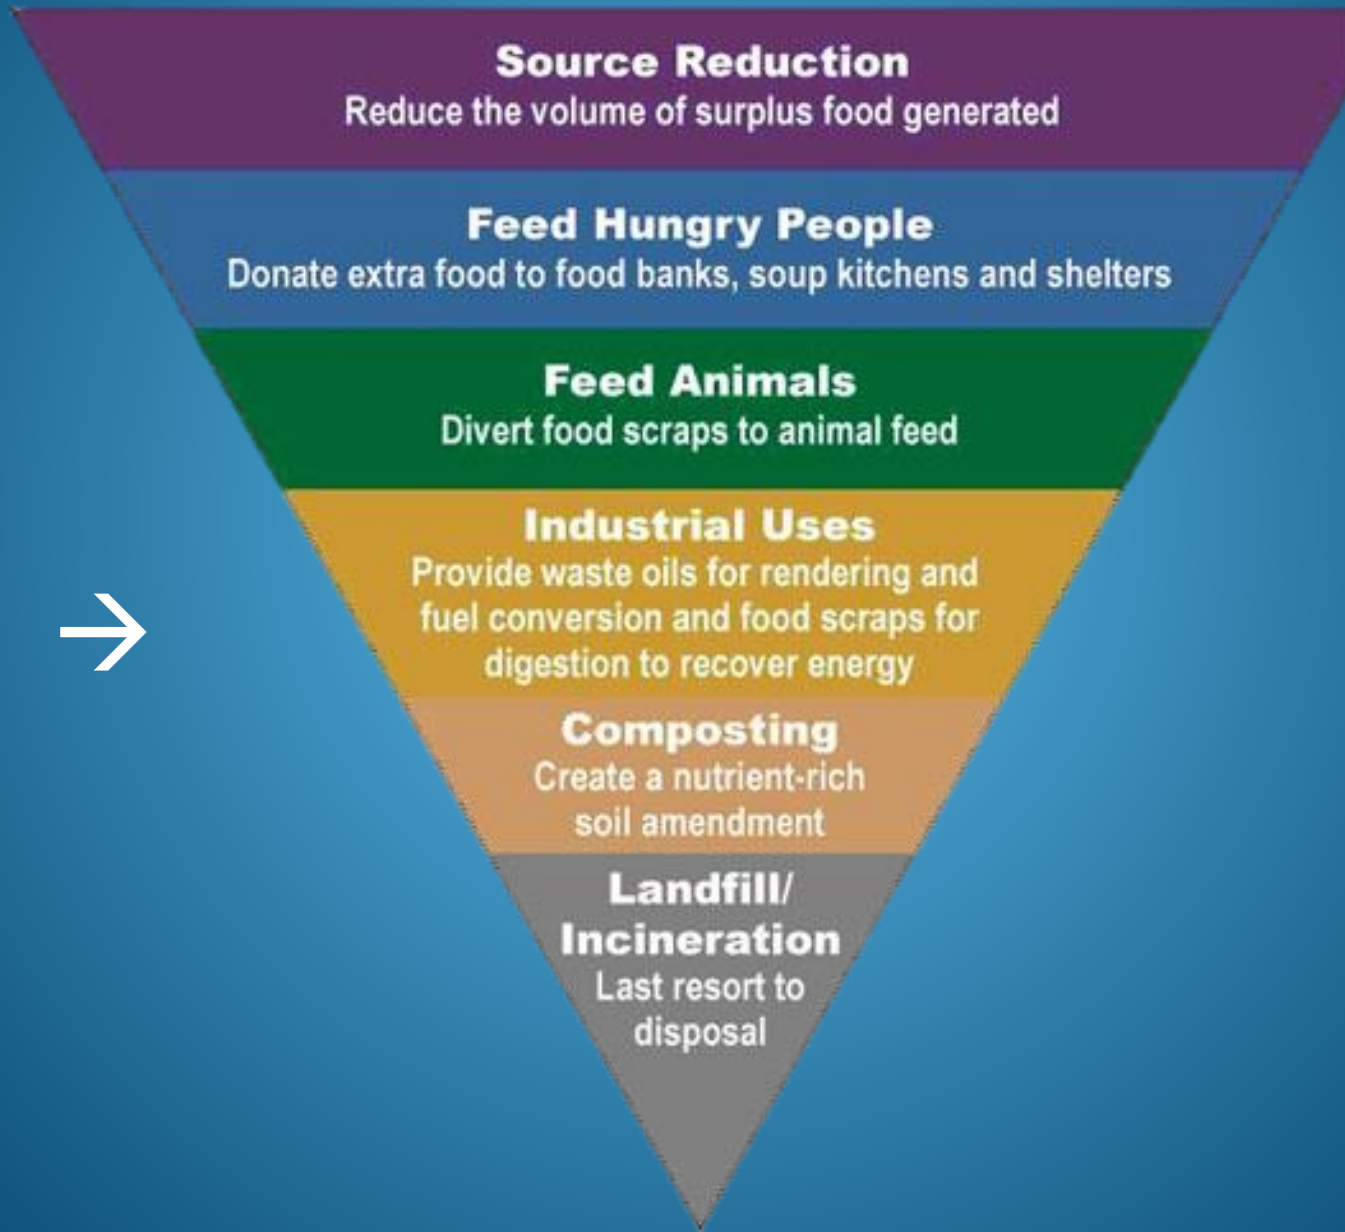

Donate extra food to food banks, soup kitchens and shelters

Feed Animals

Divert food scraps to animal feed

- Unsold baked goods are donated to local food banks
- A portion of substandard produce is donated to the Ohio Wildlife Federation
- Broken or torn bags of pet food are donated to local shelters

Food Recovery Pyramid

Industrial Uses

Provide waste oils for rendering and fuel conversion and food scraps for digestion to recover energy

Composting

Create a nutrient-rich soil amendment

- Chicken grease and carcasses are picked up by Darling Ingredients
 - Alternative to paying for grease extraction & disposal
 - Used in the creation of many goods, including:
 - Biodiesel
 - Pet foods
- Looking forward: Composting
 - Complete the cycle
