Mr. William W. Rice
Acting Regional Administrator
U.S. EPA Region VII
901 North Fifth Street
Kansas City, KS 66101

Dear Mr. Rice:

Enclosed, please find the State of Missouri's lead nonattainment area recommendation pursuant to the new lead standard promulgated by the U.S. Environmental Protection Agency in October 2008. The final recommendation has been fully vetted through stakeholder discussions, formal public hearing and comment period, and, finally, the Missouri Air Conservation Commission.

Your determination regarding the lead nonattainment areas in Missouri are of critical importance to our citizens and businesses. We are hopeful that after thoughtful consideration of this submittal you will come to the same conclusion as our final recommendation.

Thank you for the opportunity to provide this recommendation. If you have any questions, please contact Ms. Katy Holmer with the Department's Air Pollution Control Program, P.O. Box 176, Jefferson City, MO 65102 or by phone at (573) 751-4817.

Sincerely,

DEPARTMENT OF NATURAL RESOURCES

Mark N. Templeton
Director
