Project Coordinators,

The Navy/DLA is pleased to provide the revised attachment required by the AOC, Attachment A (SOW), Section 5.2 Deliverable: Corrosion and Metal Fatigue Practices Report

IAW AOC I provide the following:

1. Paragraph 6(f) - Providing this report to you (Project Coordinators) via e-mail as agreed upon.
2. Paragraph 9 - Document is certified by Regional Engineer for CNRH,
3. Paragraph 21 - Record will be preserved by FLC Pearl Harbor IAW appropriate federal records retention schedule. Until our electronic file access site is on-line I have the submittal at the NAVFAC Hawaii compound, a centralized location at the Site. Note: As you know we are urgently working electronic file access site on-line.

I look forward to approval so we can start coordinating the AOC/SOW, Section 5.3.1 Scoping Meeting(s) for Destructive Testing within 90 days.

Please let me know if you have any questions.

V/R,

- Jimmy / Navy and DLA Project Coordinator
