Re: Approval of Enbridge Energy, Limited Partnership's September 9, 2011 requested modification of the 2011 Air Monitoring and Sampling Addendum dated June 21, 2011 submitted in response to the Administrative Order issued by U.S. EPA on July 27, 2010 and Supplement to the Administrative Order issued by U.S. EPA on September 23, 2010, pursuant to §311(c) of the Clean Water Act (Docket No. CWA 1321-5-10-001).

Dear Mr. Adams:

On September 9, 2011 Enbridge Energy, Limited Partnership, Enbridge Pipelines (Lakehead) L.L.C., Enbridge Pipelines (Wisconsin), and Enbridge Energy Partners, L.P. (herein collectively referred to as "Enbridge") submitted a letter to U.S. EPA requesting a modification of the 2011 Air Monitoring and Sampling Addendum dated June 21, 2011.

U.S. EPA has completed its review of the requested modification; specifically to modify the laboratory turn-around time (TAT) for Community Air Sampling from a 24-hour TAT to a 5-day TAT.

Pursuant to Paragraph 18 of the Order and Paragraph 6 of the Supplement, this letter provides written confirmation of my September 16, 2011 verbal approval of Enbridge's request.

If you have any questions regarding this approval, please contact me immediately at (231) 301-0559.

Sincerely,
