

Attachment #24 – Repudiation Web Page and Link Screenshots

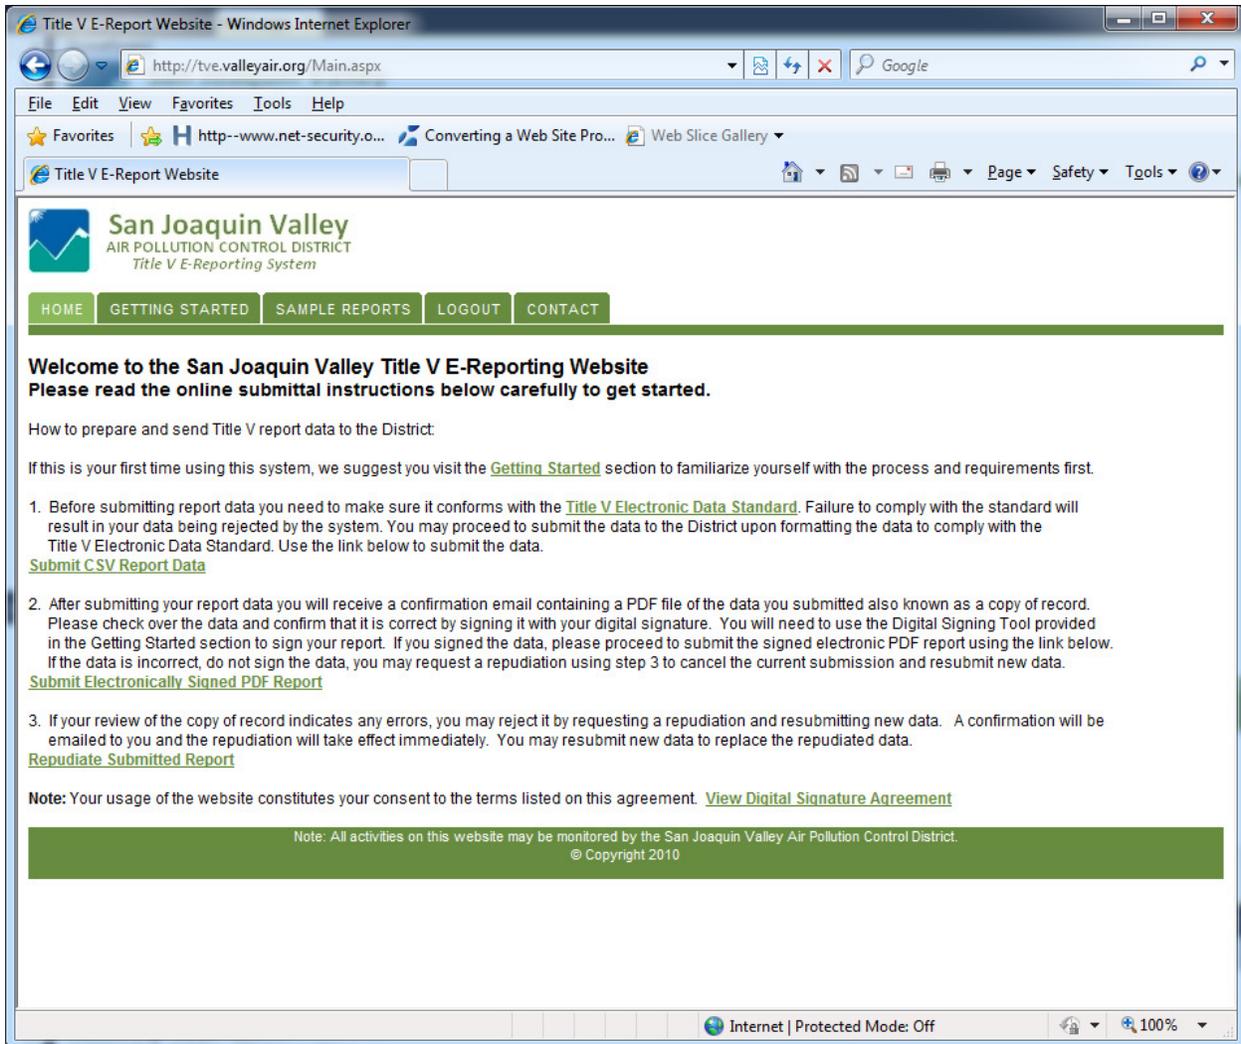

Figure 1 – TVE website home page containing link to allow repudiation of data submittals. See link provided in item #3.

Attachment #24 – Repudiation Web Page and Link Screenshots

The screenshot shows a web browser window titled "Title V E-Report Website - Windows Internet Explorer". The address bar displays "http://tve.valleyair.org/Repudiate.aspx". The browser's menu bar includes "File", "Edit", "View", "Favorites", "Tools", and "Help". The Favorites bar shows "http--www.net-security.o..." and "Web Slice Gallery". The page title is "Title V E-Report Website".

The main content area features the San Joaquin Valley Air Pollution Control District logo and the text "Title V E-Reporting System". Below the logo are navigation buttons for "HOME", "LOGOUT", and "CONTACT".

The primary heading is "Title V Report Repudiation Request". The form includes:

- "Report Data ID:" followed by an empty text input field.
- "Data Type:" followed by a dropdown menu with "ACC" and "RRM" as visible options.
- "Reason(s):" followed by a large text area with the label "Max 5000 characters".
- A "Submit" button.

A green footer bar contains the text: "Note: All activities on this website may be monitored by the San Joaquin Valley Air Pollution Control District. © Copyright 2010".

The browser's status bar at the bottom shows "Done", "Internet | Protected Mode: Off", and "100%".
