Nothing herein shall limit the effect of any section of this Title with respect to any form of asbestos, or the spraying of any form of asbestos, or limit the power of the Board under this Title to adopt additional and further regulations with respect to any form of asbestos, or the spraying of any form of asbestos.

This Section shall not limit the burning of landscape waste upon the premises where it is produced or at sites provided and supervised by any unit of local government, except within any county having a population of more than 400,000. Nothing in this Section shall prohibit the burning of landscape waste for agricultural purposes, habitat management (including but not limited to forest and prairie reclamation), or firefighter training. For the purposes of this Act, the burning of landscape waste by production nurseries shall be considered to be burning for agricultural purposes.

Any grain elevator located outside of a major population area, as defined in Section 211.3610 of Title 35 of the Illinois Administrative Code, shall be exempt from the requirements of Section 212.462 of Title 35 of the Illinois Administrative Code provided that the elevator:
