

**Synthetic Minor Tribal Air Permit for Enterprise Field Services LLC., Lindrith Compressor Station, Rio Arriba County, New Mexico. Permit Number R6NSR-NM-005  
March 7, 2018**

The U.S. Environmental Protection Agency Region 6 (EPA) is announcing its decision to issue a synthetic minor source permit in accordance with the provisions of the Clean Air Act (CAA) and the Federal Minor New Source Review Program in Indian Country, 40 CFR § 49.151 - § 49.161, to Enterprise Field Services LLC., for the existing Lindrith Compressor Station located on Jicarilla Apache tribal lands in Rio Arriba County, New Mexico.

The EPA prepared a draft permit and held a public comment period from January 24<sup>th</sup> through February 23<sup>rd</sup> 2018. The EPA also offered the public an opportunity to request a public hearing. No public comments or requests for a public hearing were received during the comment period. The final permit will be effective immediately upon issuance pursuant to 40 CFR § 49.159(a)(3). The final permit, basis of decision, the technical support document and other key documents relevant to the permit can be found at: <https://www.epa.gov/caa-permitting/tribal-nsr-permits-epas-south-central-region>
