- 2. This is a civil administrative action instituted by EPA Region IX against Respondent pursuant to Section 1423(c) of the Safe Drinking Water Act ("SDWA" or "the Act"), 42 U.S.C. §§ 300h-2(c), for violations of the SDWA and the Underground Injection Control ("UIC") requirements set forth at 40 C.F.R. Part 144.
- 3. Complainant is the Director of the Enforcement Division, EPA Region IX. The Administrator of EPA delegated to the Regional Administrator of EPA Region IX the authority to bring and settle this action under SDWA. In turn, the Regional Administrator of EPA Region IX further delegated the authority to bring and sign a consent agreement settling this action under SDWA to the Director of the Enforcement Division.
 - 4. Respondent is a foreign limited liability company headquartered in Maryland.

II. APPLICABLE STATUTES AND REGULATIONS

- 5. Pursuant to SDWA Sections 1421 to 1429, 42 U.S.C. §§ 300h to 300h-8, EPA has promulgated regulations at 40 C.F.R. Part 144 establishing minimum requirements for UIC programs to prevent underground injection that endangers drinking water sources.
- 6. "Underground injection" means the subsurface emplacement of fluids by well injection. 42 U.S.C. § 300h(d)(1); 40 C.F.R. § 144.3.
- 7. "Well injection" means the subsurface emplacement of fluids through a well. 40 C.F.R. § 144.3.
- 8. "Well" means, in relevant part, a dug hole whose depth is greater than the largest surface dimension. 40 C.F.R. § 144.3.
- 9. A "cesspool" is a "drywell," which in turn is a "well," as those terms are defined in 40 C.F.R. § 144.3.
- 10. "Large capacity cesspools" ("LCCs") include "multiple dwelling, community or regional cesspools, or other devices that receive sanitary wastes, containing human excreta, which have an open bottom and sometimes perforated sides." 40 C.F.R. § 144.81(2). LCCs do

not include single-family residential cesspools or non-residential cesspools which receive solely sanitary waste and have the capacity to serve fewer than 20 persons per day. *Id*.

- UIC program regulations classify LCCs as Class V UIC injection wells. 40 C.F.R.§ 144.80(e).
- 12. Class V UIC injection wells are considered a "facility or activity" subject to regulation under the UIC program. 40 C.F.R. § 144.3.
- 13. "Owner or operator" means the owner or operator of any "facility or activity" subject to regulation under the UIC program. 40 C.F.R. § 144.3.
- 14. The "owner or operator" of a Class V UIC well "must comply with Federal UIC requirements in 40 C.F.R. Parts 144 through 147," and must also "comply with any other measures required by States or an EPA Regional Office UIC Program to protect [underground sources of drinking water]." 40 C.F.R. § 144.82.
- 15. Owners or operators of existing LCCs were required to have closed those LCCs no later than April 5, 2005. 40 C.F.R. §§ 144.84(b)(2) and 144.88.
- 16. Pursuant to Section 1422(c) of the SDWA, 42 U.S.C. § 300h-1(c), and 40 C.F.R. § 147.601, EPA administers the UIC program in the State of Hawaii. This UIC program consists of the program requirements of 40 C.F.R. Parts 124, 144, 146, 147 (Subpart M), and 148.
- 17. Pursuant to Section 1423(c)(1) of the SDWA, 42 U.S.C. § 300h-2(c)(1), and 40 C.F.R. § 19.4, EPA may issue an administrative order either assessing a civil penalty of not more than \$22,363 per day per violation up to a maximum of \$279,536, or requiring compliance, or both, against any person who violates the SDWA or any requirement of an applicable UIC program.

III. ALLEGATIONS

18. Respondent is a limited liability company and thus qualifies as a "person" within the meaning of Section 1401(12) of the SDWA, 42 U.S.C. § 300f(12), and 40 C.F.R. § 144.3.

- 19. Respondent owns the property located at 91-130 Kalaeloa Blvd., Kapolei, Hawaii 96707 ("Kalaeloa Facility"), which is currently leased to a truck rental company. Respondent also owns the property at 91-252 Kuhela St., Kapolei, Hawaii 96707 ("Kuhela Facility"), which is currently leased to a building materials supply company.
- 20. Since at least April 5, 2005, Respondent has owned and its lessees have operated cesspools located at the Kalaeloa and Kuhela Facilities receiving sanitary wastewater from buildings located onsite that have the capacity to serve twenty or more persons per day.
- 21. The cesspools identified in Paragraph 20 meet the definition of LCC as that term is defined at 40 C.F.R. § 144.81(2).
- 22. Respondent's failure to close the LCCs at the Kalaeloa Facility and the Kuhela Facility by April 5, 2005 or thereafter constitutes an ongoing violation of 40 C.F.R. §§ 144.84(b)(2) and 144.88.

IV. SETTLEMENT TERMS

A. General Provisions

- 23. For the purposes of this proceeding, Respondent (1) admits the jurisdictional allegations contained in this CA/FO, (2) neither admits nor denies the specific factual allegations contained in this CA/FO, (3) consents to the assessment of the penalty and to the specified compliance obligations contained in this CA/FO, and (4) waives any right to contest the allegations or to appeal the final order accompanying this consent agreement. 40 C.F.R. § 22.18(b)(2).
- 24. This CA/FO, inclusive of all exhibits, appendices, and attachments, is the entire agreement between the Parties to resolve EPA's civil claims against Respondent for the alleged violations of the SDWA identified in Section III of this CA/FO. Full compliance with this CA/FO, which includes (1) bringing the LCCs at the Kalaeloa and Kuhela Facilities into compliance with the UIC requirements in accordance with 40 C.F.R. §§ 144.84(b)(2), 144.88(a),

and 144.89(a) and in accordance with Section IV.B of this CA/FO; and (2) payment of an administrative civil penalty of \$126,652 in accordance with Section IV.C of this CA/FO; shall constitute full settlement of Respondent's liability for federal civil claims for the alleged SDWA violations specifically identified in Section III of this CA/FO.

- 25. The provisions of this CA/FO shall apply to and be binding upon Respondent, its officers, directors, agents, servants, authorized representatives, employees, and successors or assigns. Action or inaction of any persons, firms, contractors, employees, agents, or corporations acting under, through, or for Respondent shall not excuse any failure of Respondent to fully perform its obligations under this CA/FO.
- 26. Issuance of this CA/FO does not in any manner affect the right of EPA to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law, except with respect to the claim described in Paragraph 2 that has been specifically resolved by this CA/FO.
- 27. This CA/FO is not a permit or modification of a permit, and does not affect Respondent's obligation to comply with all federal, state, local laws, ordinances, regulations, permits, and orders. Issuance of, or compliance with, this CA/FO does not waive, extinguish, satisfy, or otherwise affect Respondent's obligation to comply with all applicable requirements of the SDWA, regulations promulgated thereunder, and any order or permit issued thereunder, except as specifically set forth herein.
- 28. EPA reserves any and all legal and equitable remedies available to enforce this CA/FO, as well as the right to seek recovery of any costs and attorneys' fees incurred by EPA in any actions against Respondent for noncompliance with this CA/FO.
- 29. Unless otherwise specified, the Parties shall each bear their own costs and attorneys' fees incurred in this proceeding.

- 30. This CA/FO may be executed and transmitted by facsimile, email or other electronic means, and in multiple counterparts, each of which shall be deemed an original, but all of which shall constitute an instrument. If any portion of this CA/FO is determined to be unenforceable by a competent court or tribunal, the Parties agree that the remaining portions shall remain in full force and effect.
- 31. The undersigned representative of each party certifies that he or she is duly and fully authorized to enter into and ratify this CA/FO.
- 32. For purposes of the identification requirement of Section 162(f)(2)(A)(ii) of the Internal Revenue Code, 26 U.S.C. § 162(f)(2)(A)(ii), performance of Section IV.B (Compliance Requirements) is restitution or required to come into compliance with law.
 - B. <u>Compliance Requirements</u>
- 33. As required by Section 1423(c)(1) of the Act, 42 U.S.C. § 300h-2(c)(1), and consistent with the timeframes set forth below, Respondent shall:
 - a. By April 30, 2019, close the LCCs located at the Kalaeloa and Kuhela Facilities in accordance with 40 C.F.R. §§ 144.84(b)(2), 144.88(a), and 144.89(a), and all other applicable requirements, including all Hawaii Department of Health ("HDOH") closure, conversion, and/or replacement requirements. If Respondent installs one or more replacement wastewater systems, such as Individual Wastewater Systems ("IWSs"), then installation and operation of such systems shall comply with all HDOH requirements; and
 - b. Within thirty (30) days of closure of the LCCs, submit to EPA a description of how the LCCs were closed and identify the contractor(s) providing the service as well as copies of the cesspool Backfill Closure Reports for the closure of the cesspools. Respondent shall also submit all related approvals, including for any replacement systems, issued by HDOH within thirty (30) days of

- 38. In accordance with the Debt Collection Act of 1982 and 40 C.F.R. Part 13 interest, penalty charges, and administrative costs will be assessed against the outstanding amount that Respondent owes to EPA for Respondent's failure to pay the civil administrative penalty by the deadline specified in Paragraph 35.
- 39. Interest on delinquent penalties will be assessed at an annual rate that is equal to the rate of current value of funds to the United States Treasury (i.e., the Treasury tax and loan account rate), as prescribed and published by the Secretary of the Treasury in the Federal Register and the Treasury Fiscal Requirements Manual Bulletins. 40 C.F.R. § 13.11(a)(1).

In re Honolulu, LLC dba Hon Realty, LLC

- a. The debt being referred to a credit reporting agency, a collection agency, or to the Department of Justice for filing of a collection action in the appropriate United States District Court. 40 C.F.R. §§ 13.13, 13.14, and 13.33. In any such collection action, the validity, amount, and appropriateness of the assessed penalty and of this CA/FO shall not be subject to review.
- b. The department or agency to which this matter is referred (e.g., the Department of Justice, the Internal Revenue Service) may assess administrative costs for handling and collecting Respondent's overdue debt in addition to EPA's administrative costs.
- c. EPA may (i) suspend or revoke Respondent's licenses or other privileges; or (ii) suspend or disqualify Respondent from doing business with EPA or engaging in programs EPA sponsors or funds. 40 C.F.R. § 13.17.
- 43. Respondent shall tender any interest, handling charges, late penalty payments, and stipulated penalties in the same manner as described in Paragraphs 36 and 37.
 - D. <u>Stipulated Penalties</u>
- 44. Respondent shall pay stipulated penalties in accordance with this Section for any violations of this CA/FO.
- 45. If Respondent fails to meet the LCC closure requirements set forth in Paragraph 33, Respondent agrees to pay the following amounts for each cesspool that it fails to properly close on time:
 - a. \$75 for each and every day for the first 90 days that Respondent fails to properly close the cesspool;
 - \$150 for each and every day from days 91 through 365 that Respondent fails to properly close the cesspool; and

- c. \$250 for each and every day from day 366 and afterwards that Respondent fails to properly close the cesspool.
- 46. If Respondent fails to pay the assessed civil administrative penalty specified in Paragraph 34 by the deadline specified in Paragraph 35, Respondent agrees to pay a stipulated penalty of \$250 per day for each day the assessed penalty is late, in addition to the assessed penalty.
- 47. If Respondent fails to timely submit any reports in accordance with the timelines set forth in this CA/FO, Respondent agrees to pay a stipulated penalty of \$75 for each day after the report was due until it submits the report in its entirety.
- 48. Respondent agrees to pay any stipulated penalties within thirty (30) days of receipt of EPA's written demand for such penalties. All penalties shall begin to accrue on the first date of noncompliance, and shall continue to accrue through the date of completion of the delinquent CA/FO requirement. Respondent will use the method of payment specified in Paragraphs 36 and 37, and agrees to pay interest, handling charges and penalties that accrue for late payment of the stipulated penalty in the same manner as set forth in Paragraphs 38 through 42.
- 49. Neither the demand for, nor payment of, a stipulated penalty relieves Respondent of its obligation to comply with any requirement of this CA/FO or modifies or waives any deadlines set forth in this CA/FO.
- 50. EPA may, in the unreviewable exercise of its discretion, elect to pursue any other administrative or judicial remedies in addition to or in lieu of assessing stipulated penalties and/or reduce or waive stipulated penalties due under this CA/FO.

E. <u>Force Majeure</u>

51. Respondent shall exercise its best efforts to avoid or minimize any delay and any effects of a delay. If any event occurs which causes or may cause delays meeting the deadlines set forth in this CA/FO, Respondent or its attorney shall, within forty-eight (48) hours of the *In re Honolulu, LLC dba Hon Realty, LLC*

delay or within forty-eight (48) hours of Respondent's knowledge of the anticipated delay, whichever is earlier, notify EPA in writing, by email or overnight mail. Within fifteen (15) days thereafter, Respondent shall provide in writing the reasons for the delay, the anticipated duration of the delay, the measures taken or to be taken to prevent or minimize the delay, and a timetable by which those measures will be implemented. Failure to comply with the notice requirement of this paragraph shall preclude Respondent from asserting any claim of *force majeure*.

- 52. If EPA agrees in writing that the delay or anticipated delay in compliance with this CA/FO has been or will be caused by circumstances entirely beyond the control of Respondent, the time for performance may be extended for a period of no longer than the delay resulting from the circumstances causing the delay. In such event, EPA will grant, in writing an extension of time. An extension of the time for performing an obligation granted by EPA pursuant to this paragraph shall not, of itself, extend the time for performing a subsequent obligation.
- 53. EPA will not impose stipulated penalties for performance of a task during any time period covered by an extension of time for that task granted pursuant to Paragraph 52.
 - F. <u>Notices</u>
- 54. Respondent must send written communications and/or submittals under this CA/FO, including any requests for extensions of time to meet the compliance deadlines, to the following:
