

Innovative Financing Strategies for Reducing Nutrients Webinar Series

## **PRIVATE SECTOR FINANCING SOLUTIONS FOR NUTRIENT REDUCTIONS**

**JUNE 26, 2019 at 1:00–2:00 PM ET**

You are invited to attend a webinar co-hosted by EPA and USDA on innovative private-sector financing solutions for reducing nutrients. Our featured speakers will highlight strategies including environmental impact bonds, program-related investments, and performance-based strategies using public-private financing.

This is the second in a four-part webinar series featuring case studies of successful approaches from across the country for funding nutrient reductions. For more information on this webinar, please contact [waterfinancecenter@epa.gov](mailto:waterfinancecenter@epa.gov).
